**DEPARTMENT OF HEALTH SERVICES: DENTAL SERVICES AGREEMENTS
FOR FOUR COMPREHENSIVE HEALTH CENTERS
(SUPERVISORIAL DISTRICTS 1, 2, AND 4)
(3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Make a finding that the dental services, as described herein, are cost effective and can be performed more economically by contracting with the private sector.
2. Approve and instruct the Chairman to sign an Agreement with Roger P. Fieldman, DDS, Inc. (Fieldman) for the provision of Proposition A (Prop A) dental services, effective upon Board approval through October 31, 2012 at the following facilities: Edward R. Roybal Comprehensive Health Center (Roybal) with a \$3,571,874 maximum contract obligation for the term of the contract, at El Monte Comprehensive Health Center (El Monte) with a \$3,644,800 maximum contract obligation for the term of the contract, and at Hubert H. Humphrey Comprehensive Health Center (Humphrey) with a \$3,940,900 maximum contract obligation for the term of the contract, totaling a maximum contract obligation for all facilities of \$11,157,574. The fixed annual contract obligation for each facility increases each contract year as reflected in Attachment C.
3. Approve and instruct the Chairman to sign an Agreement with Sullivan and Urban Dental Management Firm (Sullivan) for the provision of both Prop A and non-Prop A HIV/AIDS dental services at Long Beach Comprehensive Health Center (Long Beach), effective upon Board approval through October 31, 2012

with a maximum contract obligation for the term of the contract of \$1,743,094 for Prop A services and \$310,710 for non-Prop A services, totaling a maximum contract obligation of \$2,053,804. Non-Prop A services are 100 percent offset by Ryan White Care Act funds. These Non-Prop A services are funded by \$20,714 from the date of Board approval through February 29, 2008; funding for estimated costs of \$289,996 for the period effective March 1, 2008 through October 31, 2012 are contingent upon the availability of future grant funding. The fixed annual contract obligation amount for Prop A dental services for this facility increases each contract year as reflected in Attachment C.

4. Delegate authority to the Director of Health Services, or his designee, to increase the maximum contract obligation by no more than ten percent for Prop A dental services only, if the County requires additional services, and contingent upon available funding from federal, State, or County funding sources at a total increase of \$1,115,757 for the Agreement with Fieldman, which increases the total contract maximum obligation up to \$12,273,331; and a total increase of \$174,309 for the Agreement with Sullivan, which increases the Sullivan contract maximum obligation for Prop A dental services up to \$1,917,403, and increases the total contract maximum obligation for both Prop A and non-Prop A services to \$2,228,113.
5. Delegate authority to the Director of Health Services, or his designee, to extend the terms of these Agreements beyond the expiration dates of October 31, 2012, on a month-to-month basis, for a maximum of six months, effective November 1, 2012 through April 30, 2013, subject to mutual agreement between County and Contractors, at the monthly cost established for year five in each agreement for an additional potential cost of \$1,320,545 for the Agreement with Fieldman, consisting of \$70,458 per month for Roybal, \$71,896 per month for El Monte, and \$77,737 per month for Humphrey; and an additional potential cost of \$252,138 for the Agreement with Sullivan, consisting of \$42,023 per month of which \$ 36,845 is for Prop A dental services and \$5,179 is for non-Prop A dental services.

PURPOSE/JUSTIFICATION OF THE RECOMMENDED ACTIONS

The purpose of the recommended actions is to approve new contracts, substantially similar to Exhibits I, II, III, and IV, awarded as a result of a Request for Proposals (RFP) process for dental services at Roybal, El Monte, Humphrey, and Long Beach.

The Department is also requesting delegated authority to increase the maximum obligation of the Agreements by no more than 10 percent if additional services are needed, contingent upon available funding.

The Proposition A contracts continue to be cost effective and operationally feasible for the provision of dental services.

Approval of the Agreements will ensure the continued provision of dental services at Roybal, El Monte, Humphrey, and Long Beach and HIV/AIDS dental services at Long Beach.

FISCAL IMPACT/FINANCING

The cost for the HIV/AIDS dental services component, included in the Sullivan contract, is \$20,714 for the period commencing the date of Board approval through February 29, 2008, 100 percent grant funded by the Ryan White Care Act funds and the estimated total cost of \$289,996 for the period effective March 1, 2008 through October 31, 2012, contingent upon future grant funding.

The estimated avoidable County costs are reflected below and are based on the Contractors' staffing patterns for the four CHCs. These costs include proposed salaries, employee benefits, and service and supplies costs. The fixed annual contract obligation for each facility increase each contract year as reflected in Attachment C. County costs for years two through five have not been adjusted for inflation; therefore, contract cost savings are projected based on County's and Contractors' proposed costs for the first year.

<u>Contract Period</u>	<u>Avoidable Costs</u>	<u>Contract Costs</u>	<u>Estimated Savings</u>	<u>Savings Percentage</u>
First Year	\$2,859,960	\$2,403,191	\$456,769	15.97%
Second Year	\$2,859,960	\$2,488,483	\$371,477	12.99%
Third Year	\$2,859,960	\$2,576,896	\$283,064	9.90%
Fourth Year	\$2,859,960	\$2,668,546	\$191,414	6.69%
<u>Fifth Year</u>	<u>\$2,859,960</u>	<u>\$2,763,552</u>	<u>\$ 96,408</u>	<u>3.37%</u>
<u>Total</u>	<u>\$14,299,800</u>	<u>\$12,900,668</u>	<u>\$1,399,132</u>	<u>9.78%</u>

The estimated cost to extend the Agreements beyond the expiration dates of October 31, 2012, on a month-to-month basis, for a maximum of six months, effective November 1, 2012 through April 30, 2013, is \$1,572,683 consisting of \$422,746, \$431,377, \$466,422, and \$252,138 for Roybal, El Monte, Humphrey, and Long Beach, respectively.

The estimated total cost for additional services to the Prop. A contracts of no more than ten percent is \$1,290,067, consisting of \$357,187, \$364,480, \$394,090 and 174,309 for Roybal, El Monte, Humphrey and Long Beach, respectively.

Funding for each of the four Agreements is included in the Fiscal Year (FY) 2007-08 Department of Health Services Final Budget and continuing appropriation will be requested in future fiscal years based on available funding.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Since January 1990, the County has contracted with private contractors for the provision of dental services under County Code 2.121.250, et seq., "Contracting with Private Businesses" (Proposition A).

Three prior RFPs have been released for dental services. The last RFP was conducted in October 2000 with contracts awarded on June 26, 2001.

On October 19, 2006, an RFP was released to re-solicit the Prop A dental services at Roybal, El Monte, Humphrey and Long Beach and non-Prop A HIV/AIDS dental services at Long Beach only. On November 21, 2006, the Board approved an amendment to extend the term of the current Prop A agreements for the continued provision of dental services from January 1, 2007 through June 30, 2007, while the RFP process was being completed. On June 5, 2007, the Board approved another amendment extending the current contract from July 1, 2007 through January 31, 2008, while a Contract Selection Review process was underway.

The Contractors recommended for the provision of these contract Prop A services will provide all dental services, including, but not limited to, dental support services, charting to dental records and administrative management.

Additionally, these Contractors will be responsible for providing dental treatment to patients with diagnosed cases of acute communicable diseases such as, hepatitis and HIV/AIDS, and also prevention, detection, and treatment of dental problems to patients presenting to the four facilities.

The recommended Agreements will award Prop A contracts to provide on-site dental services at Roybal, El Monte, Humphrey by Fieldman, and at Long Beach by Sullivan. The recommended Agreement with Sullivan will also provide HIV/AIDS dental oral health care at Long Beach, consisting of educational, diagnostic and curative dental services to patients who have written certification from a physician of a diagnosis of HIV disease or AIDS.

This is a re-solicitation of services and there is no employee impact.

There are no Cost of Living Adjustments (COLAs) included in these recommended Agreements. Contract monitoring functions will be performed by the Comprehensive Health Center's Clinic staff, DHS Centralized Contract Monitoring Division, and Office of Affirmative Action Compliance/Contract Compliance Programs.

The four Agreements include indemnification and insurance provisions approved by the Chief Executive Office Risk Management Operations.

The Agreements may be terminated at any time by the Contractor or the County by providing at least a 60-day prior written notice.

The Agreements (Exhibits I, II, III, and IV) have been approved as to form by County Counsel.

Attachments A - C provide additional information.

CONTRACTING PROCESS

On October 19, 2006, DHS released an RFP for Dental Services at Roybal, El Monte, Humphrey, and Long Beach. The RFP was posted on the County website, advertised in local newspapers, and mailed to firms listed on the DHS vendors list.

A mandatory proposers' conference and walk-through inspections were held at each facility.

Four potential proposers attended the mandatory conference. The proposal submission deadline date was December 1, 2006. Proposers submitting bids in response to this RFP were Roger P. Fieldman, DDS, Inc. and Harvey J. Williams, DDS, Inc. for Roybal, El Monte, and Humphrey, and Sullivan and Urban Dental Management Firm, Inc. for Long Beach CHC. Additionally, Sullivan and Urban Dental Management Firm, Inc. was approved for the Living Wage Program Exemption.

Based on the evaluation and resulting scores, Roger P. Fieldman, DDS, Inc. was ranked highest based on the evaluation criteria and is being recommended to provide dental services at Roybal, El Monte, and Humphrey; and Sullivan and Urban Dental Management Firm, Inc. is recommended to provide Prop A and HIV/AIDS dental services at Long Beach.

**DENTAL SERVICES AGREEMENT FOR
EDWARD R. ROYBAL COMPREHENSIVE HEALTH CENTER**

THIS AGREEMENT is made and entered into this _____ day
of _____, 2007

by and between

COUNTY OF LOS ANGELES
(hereafter "County"),

and

ROGER P. FIELDMAN,
DDS, INC. (hereafter
"Contractor").

WHEREAS, pursuant to California Health and Safety Code Sections 1441 and 1445, County has established and operates, through its Department of Health Services (hereafter "DHS"), the Los Angeles County Comprehensive Health Center, (hereafter "CHC"); and

WHEREAS, non-Hospital based dental services are necessary for the needs of certain sick or injured County patients; and

WHEREAS, pursuant to Section 44.7 of the Los Angeles County Charter as implemented by Los Angeles County Code Section 2.121.250 et seq., County is authorized to contract with private businesses to perform personal services when it is more economical to do so; and

WHEREAS, Contractor is duly licensed and certified under the laws of the State of California to engage in the business of providing non-hospital based dental services as described hereunder and possesses the competence, expertise, and personnel

required to provide such services; and

WHEREAS, in response to County's RFP for such services, Contractor has submitted its proposal to County and desires to provide such services; and

WHEREAS, based on competitive negotiation, DHS has selected Contractor for recommendation to County's Board of Supervisors to provide such services; and

WHEREAS, this Agreement is authorized by California Government Code Sections 23004, 26227, and 31000 and California Health and Safety Code Sections 1441, 1445, and 1451.

NOW THEREFORE, the parties hereto agree as follows:

1. TERM:

A. The term of this Agreement shall commence on November 1, 2007 and shall continue in full force and effect through October 31, 2012. The Agreement may thereafter be extended on a month-to-month basis, for a period not to exceed six (6) months, through April 30, 2013, upon the mutual agreement of both parties and contingent upon availability of funds.

B. Contractor may terminate this Agreement by giving at least sixty (60) days prior written notice to County in the event County materially fails to discharge its obligations hereunder. Contractor's failure to exercise this right of termination shall not constitute a waiver of such right which may be exercised in the event of any subsequent breach. Termination provisions for County are found in Paragraphs 5 (County's Obligation for Future Fiscal Years), 8 (Indemnification and Insurance), 9 (Contractor Performance During Civil Unrest or Disaster), 13 (Nondiscrimination in Employment and Affirmative Action), 17 (Covenant Against Contingent Fees), 20 (Records and Audits), 27 (Termination for Insolvency), 28 (Termination For Default), 35 (Termination for Gratuities), 36 (Termination for Improper Consideration), 37 (Termination for Convenience), 56

(County Lobbyists), 64 (Compliance with Living Wage Program), and 65 (Contractor Responsibility and Debarment) below. Unless otherwise specified, in the event that this Agreement is terminated as provided hereunder, the submittal of the termination claim and invoice, the negotiation of a final termination settlement, and the retention of records, shall be the same as if the notice of termination had been issued by County terminating all services hereunder pursuant to Paragraph 37 (Termination for Convenience) below.

C. The term of this Agreement may be extended by Director beyond the stated expiration date on a month-to-month basis, for a period of time not to exceed six (6) months, upon the mutual agreement of the both parties. All provisions of the Agreement in effect on the date the term commences shall remain in effect for the duration of the extension. Compensation for work performed during the extension period shall be prorated on a monthly basis where applicable, and on a daily basis for time periods of less than a month.

If Director and Contractor mutually fail to agree to extend the Agreement on a month-to-month basis as of the expiration date set forth in Paragraph 1.A above, then the Agreement shall expire on said date.

D. In the event of the expiration or prior termination of the term of this Agreement, Contractor shall fully cooperate with County to provide for the transition to whatever service replacement method County determines to be in its best interest.

2. DESCRIPTION OF SERVICES:

A. Contractor shall provide dental services for the CHC in the manner and form as described in the body of this Agreement and in Exhibit A, attached hereto and incorporated herein by reference.

B. All policies, procedures, and standards are provided by the CHC. The

Contractor shall develop from the CHCs' policies, procedures, and standards their operational manual.

3. MAXIMUM OBLIGATION OF COUNTY: The Maximum Obligation of County for Contractor's performance of Proposition A dental services, as set forth in Exhibit A of this Agreement, is Three Million Five Hundred Seventy-One Thousand Eight Hundred Seventy-Four Dollars (\$3,571,874) for the term of the Agreement commencing the date of Board approval through October 31, 2012.

If sufficient monies are available from federal, State, or County funding sources, and upon Director's or his authorized designee's approval, County may require additional services and authorize to Contractor an increase to the applicable County total maximum obligation as payment for such services of no more than ten percent (10%) at a cost of not more than Three Hundred Fifty-Seven Thousand One Hundred Eighty-Seven Dollars (\$357,187), as determined by County. If the increase exceeds ten percent (10%) of the County maximum obligation, approval by County's Board of Supervisors shall be required. Any such change in any County maximum obligation shall be effected by an amendment to this Agreement pursuant to the ALTERATION OF TERMS paragraph of this Agreement.

Upon mutual agreement of County and Contractor, this Agreement may be extended up to six months beginning November 1, 2012 through April 30, 2013. The Maximum Obligation of the County during the extended term of the Agreement shall not exceed Four Hundred Twenty-Two Thousand Seven Hundred Forty-Six Dollars (\$422,746).

4. BILLING AND PAYMENT: For all services hereunder, Contractor shall bill County monthly, in arrears, in accordance with the fees set forth in Exhibit B, attached hereto and incorporated herein by reference, on billing forms furnished by County, provided that if County fails to furnish billing forms, Contractor forms will be acceptable.

County shall pay Contractor within thirty (30) days following receipt of a complete and correct billing as provided in Exhibit B.

5. COUNTY'S OBLIGATION FOR FUTURE FISCAL YEARS:

Notwithstanding any other provision of this Agreement, County shall not be obligated for Contractor's performance hereunder or by any provision of this Agreement during any of County's future fiscal years unless and until County's Board of Supervisors appropriates funds for this Agreement in County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last County fiscal year for which funds were appropriated. If the Agreement is terminated due to non-appropriation of funds by County, County shall be obligated for Contractor's performance pursuant to the provision of Paragraph 4 "Billing and Payment" up to the date termination as noticed in writing by the County. County shall notify Contractor in writing of such non-allocation of funds within five (5) working days of final decision by the Board on non-appropriation of funds.

6. ADMINISTRATION: Director of DHS, or his duly authorized designee (hereafter collectively referred to as "Director"), shall have the authority to administer this Agreement on behalf of County. Director retains professional and administrative responsibility for the services rendered under this Agreement. This general responsibility, however, does not relieve Contractor from its specific duties stated elsewhere under Agreement, including, but not limited to, the obligations (1) to perform its professional services according to customary quality of care standards in the community and under Agreement, and (2) to defend the County and other named agencies and individuals for claims, and to indemnify them for any resultant damages, based upon Contractor's failure or alleged failure to satisfy such quality of care standards. Contractor shall designate in writing a person who shall have the authority

to administer this Agreement on behalf of Contractor. The term "Administrator", as used in this Agreement, means Health Facility Administrator or his duly authorized designee.

7. INDEPENDENT CONTRACTOR STATUS:

A. This Agreement is by and between County and Contractor and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between County and Contractor. The employees and agents of one party shall not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.

B. Contractor shall be solely liable and responsible for providing to, or on behalf of, all persons performing services pursuant to this Contract all compensation and benefits. County shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of Contractor.

C. Contractor understands and agrees that all persons performing services pursuant to this Agreement are, for purposes of Workers' Compensation liability, the sole employees of Contractor and not employees of County. Contractor shall be the solely liable and responsible for furnishing any and all Workers' Compensation benefits to any person as a result of any injuries arising from or connected with services performed by or on behalf of Contractor pursuant to this Agreement.

D. The Contractor shall adhere to the provisions stated in Paragraph 14 - Confidentiality.

8. INDEMNIFICATION AND INSURANCE:

A. Indemnification: Contractor shall indemnify, defend, and hold harmless County and its Special Districts, elected and appointed officers, employees, and agents from and against any and all liability and expense, including but not limited to demands, claims, actions, fees, costs, and expenses (including attorney and expert witness fees), arising from or connected with Contractor's acts and/or omissions arising from and/or relating to this Agreement.

B. General Insurance Requirements: Without limiting Contractor's indemnification of County, and during the term of this Agreement, Contractor shall provide and maintain, and shall require all of its subcontractors to maintain, the following programs of insurance specified in this Agreement. Such insurance shall be primary to and not contributing with any other insurance or self-insurance programs maintained by County, and such coverage shall be provided and maintained at Contractor's own expense.

1. Evidence of Insurance: Certificate(s) or other evidence of coverage satisfactory to County shall be delivered to Department Contract Administrator Name and Address prior to commencing services under this Agreement. Such certificates or other evidence shall:

- (a) Specifically identify this Agreement.
- (b) Clearly evidence all coverages required in this Agreement.
- (c) Contain the express condition that County is to be given written notice by mail at least thirty (30) calendar days in advance of cancellation for all policies evidenced on the certificate of insurance.
- (d) Include copies of the additional insured endorsement

to the commercial general liability policy, adding County of Los Angeles, its Special Districts, its officials, officers, and employees as insureds for all activities arising from this Agreement.

(e) Identify any deductibles or self-insured retentions for County's approval. County retains the right to require Contractor to reduce or eliminate such deductibles or self-insured retentions as they apply to County, or, require Contractor to provide a bond guaranteeing payment of all such retained losses and related costs, including, but not limited to, expenses or fees, or both, related to investigations, claims administrations, and legal defense. Such bond shall be executed by a corporated surety licensed to transact business in the State of California.

2. Insurer Financial Ratings: Insurance is to be provided by an insurance company acceptable to County with an A.M. Best rating of not less than A:VII, unless otherwise approved by County.

3. Failure to Maintain Coverage: Failure by Contractor to maintain the required insurance, or to provide evidence of insurance coverage acceptable to County, shall constitute a material breach of contract upon which County may immediately terminate or suspend this Agreement. County, at its sole option, may obtain damages from Contractor resulting from said breach. Alternatively, County may purchase such required insurance coverage, and without further notice to Contractor, County may deduct from sums due to Contractor any premium costs advanced by County for such insurance.

4. Notification of Incidents, Claims or Suits: Contractor shall report to County:

(a) any accident or incident relating to services performed under this Agreement which involves injury or property damage which may result in the filing of a claim or lawsuit against Contractor and/or County. Such report shall be made in writing within 24 hours of occurrence.

(b) any third party claim or lawsuit filed against Contractor arising from or related to services performed by Contractor under this Agreement.

(c) any injury to a Contractor employee which occurs on County property. This report shall be submitted on a County "Non-employee Injury Report" to County contract manager.

(d) any loss, disappearance, destruction, misuse, or theft of any kind whatsoever of County property, monies or securities entrusted to Contractor under the terms of this Agreement.

5. Compensation for County Costs: In the event that Contractor fails to comply with any of the indemnification or insurance requirements of this Agreement, and such failure to comply results in any results to County, Contractor shall pay full compensation for all costs incurred by County.

6. Insurance Coverage Requirements for Subcontractors: Contractor shall ensure any and all subcontractors performing services under this Agreement meet the insurance requirements of this Agreement by either:

(a) Contractor providing evidence of insurance covering the activities of subcontractors, or

(b) Contractor providing evidence submitted by

subcontractors evidencing that subcontractors maintain the required insurance coverage. County retains the right to obtain copies of evidence of subcontractor insurance coverage at any time.

7. Insurance Coverage Requirements:

A. General Liability insurance (written on ISO policy form CG 00 01 or its equivalent) with limits of not less than the following:

General Aggregate: \$2 million

Products/Completed
Operations Aggregate: \$1 million

Personal and Advertising Injury: \$1 million

Each Occurrence: \$1 million

B. Automobile Liability insurance (written on ISO policy form CA 00 01 or its equivalent) with a limit of liability of not less than \$1 million for each accident. Such insurance shall include coverage for all "owned", "hired" and "non-owned" vehicles, or coverage for "any auto".

C. Workers Compensation and Employers' Liability insurance providing workers compensation benefits, as required by the Labor Code of the State of California or by any other state, and for which Contractor is responsible. If Contractor's employees will be engaged in maritime employment, coverage shall provide workers compensation benefits as required by the U.S. Longshore and Harbor Workers' Compensation Act, Jones Act, or any other federal law for which Contractor is responsible.

In all cases, the above insurance also shall include

Employers' Liability coverage with limits of not less than the following:

Each Accident:	\$1 million
Disease - policy limit:	\$1 million
Disease - each employee:	\$1 million

D. Professional Liability: Insurance covering liability arising from any error, omission, negligent or wrongful act of Contractor, its officers or employees with limits of not less than \$1 million per occurrence and \$3 million aggregate. The coverage also shall provide an extended two year reporting period commencing upon termination or cancellation of this Agreement.

E. Crime Coverage: Insurance with limits in amounts not less than indicated below covering against loss of money, securities, or other property referred to in this Agreement, and naming the County as loss payee.

Employee Dishonesty: \$ determined by dept.

F. Performance Security Requirements: Such surety may be provided by one of the following forms and conditioned upon faithful performance and satisfactory completion of services by Contractor.

(1) Performance Bond: A faithful performance bond in an amount equal to 100% of the Agreement award amount and executed by a corporate surety licensed to transact business in the State of California, or,

(2) Certificate of Deposit (CD) or Letter of Credit (LOC): A CD or an irrevocable LOC payable to the County

upon demand in an amount no less than \$ (determined by department). Such CD or LOC shall comply with minimum criteria and standards established by the County and be maintained throughout the term of the Agreement.

9. CONTRACTOR PERFORMANCE DURING CIVIL UNREST OR DISASTER: Contractor recognizes that health care facilities maintained by County provide care essential to the residents of the communities they serve, and that these services are of particular importance at the time of a riot, insurrection, civil unrest, natural disaster or similar event. Notwithstanding any other provision of this Agreement, full performance by Contractor during any riot, insurrection, civil unrest, natural disaster or similar event is not excused if such performance remains physically possible, as determined by County. Failure to comply with this requirement shall be considered a material breach of this Agreement by Contractor for which County may immediately terminate this Agreement.

10. LIQUIDATED DAMAGES: All time limits and required acts of Contractor are of the essence for this Agreement. Should Contractor fail to perform or complete the services required to be done within seven (7) days after written notice is provided pursuant to Paragraph 28 (Termination for Default) below, it is mutually understood and agreed that damages will occur and that such damages will be impracticable or extremely difficult to fix as to the extent of actual damages resulting from the failure of Contractor to correct a deficiency within such time frame. A reasonable estimate by the parties of such damage is Two Hundred Dollars (\$200) per day for each day exceeding such seven (7) days. Therefore, the parties agree that Contractor shall be liable to County for liquidated damages, and not as a penalty, in the amount of Two Hundred Dollars (\$200) per day for each day exceeding such seven (7) days.

Additionally, and notwithstanding the above provision, should Contractor fail to

correct deficiencies within such seven (7) days, Administrator may, upon giving five (5) days notice to Contractor, correct any and all deficiencies. All costs incurred by County, as determined by County, to perform such services by an alternate source, whether with County employees or another Contractor, shall be deducted and forfeited from any amounts due to Contractor from County. Such deductions as well as any deductions pursuant to Exhibit A (Performance Work Statement For Dental Services) and Paragraph 4 (Billing and Payment) of Sample Agreement, shall not be construed as a penalty but as adjustment of payment to Contractor for only the services actually performed, and the recovery of County cost and damages from the failure of Contractor to perform or otherwise comply with the provisions of this Agreement.

11. PERFORMANCE STANDARDS: It is mutually understood and agreed that Contractor's failure to provide timely dental services and HIV/AIDS dental services, to comply with assessment and evaluation plans, to comply with training requirement as described in Exhibit A, or to comply with certain other contract requirements as specified in the Performance Requirements Summary, attached hereto as Exhibit C and incorporated herein by reference, may create damages to County's patients, County's staff, and others and that such damages, from the nature of the case, will be extremely difficult to measure and impractical to fix. Therefore, County and Contractor hereby agree to fix the amounts of such damages in advance as set forth in the Performance Requirements Summary.

The reasonable and necessary cost of investigation by Administrator, as determined by County, of any such failure of performance by Contractor may also be assessed against Contractor as provided in this Paragraph in addition to such amounts provided that failure of Contractor's performance arises out of circumstances under Contractor's control.

All determinations to levy such amounts for damages shall be subject to approval

by Administrator. Administrator may decline to levy such amounts for damages if Administrator determines that the particular violation was caused by a strike or accident or similar occurrence beyond the control and without the fault or negligence of Contractor.

12. NONDISCRIMINATION IN SERVICES: Contractor shall not discriminate in the provision of services hereunder because of race, color, religion, national origin, ancestry, sex, age or physical or mental handicap, in accordance with all applicable requirements of Federal and State law. For the purpose of this Paragraph, discrimination in the provision of services may include, but is not limited to, the following: denying any person any service or benefit or the availability of a facility; providing any service or benefit to any person which is not equivalent, or is not provided in an equivalent manner or at an non-equivalent time, from that provided to others; subjecting any person to segregation or separate treatment in any manner related to the receipt of any service other than precautions dictated by infectious control procedures; restricting any person in any way in the enjoyment of any advantage or privilege enjoyed by others receiving any service or benefit; and treating any person differently from others in determining admission, enrollment quota, eligibility, membership, or any other requirements or conditions which persons must meet in order to be provided any service or benefit. Contractor shall ensure that recipient of services under this Agreement are provided services without regard to race, color, religion, national origin, ancestry, sex, age, or physical or mental handicap.

13. NONDISCRIMINATION IN EMPLOYMENT AND AFFIRMATIVE ACTION:

A. Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies, are and will be treated equally by it without regard to or because of race, color, religion, ancestry, national origin, sex, age, or physical or mental handicap, in compliance with all applicable

Federal and State anti-discrimination laws and regulations.

B. Contractor shall take affirmative action to ensure that qualified applicants are employed, and that employees are treated during employment without regard to race, color, religion, national origin, ancestry, sex, age, or physical or mental handicap, in compliance with all applicable Federal and State anti-discrimination laws and regulations. Such action shall include, but is not limited to, the following: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

C. Contractor shall deal with its subcontractors, bidders, or vendors without regard to or because of race, color, religion, ancestry, national origin, sex, age, or physical or mental handicap.

D. Contractor shall allow County representatives access to its employment records during regular business hours to verify compliance with the provisions of this Paragraph when so requested by Director.

E. If County finds that any of the above provisions have been violated, the same shall constitute a material breach of this Agreement upon which County may determine to cancel, terminate, or suspend this Agreement. While County reserves the right to determine independently that the anti-discrimination provisions of this Agreement have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that Contractor has violated State or Federal anti-discrimination laws or regulations shall constitute a finding by County that Contractor has violated the anti-discrimination provisions of this Agreement.

F. The parties agree that in the event that Contractor violates the anti-

discrimination provisions of this Agreement, County shall, at its option, be entitled to a sum of Five Hundred Dollars (\$500) pursuant to California Civil Code Section 1671 as liquidated damages in lieu of canceling, terminating, or suspending this Agreement.

14. CONFIDENTIALITY: Contractor shall maintain the confidentiality of all records, including, but not limited to, County records, and patient records, in accordance with all applicable Federal, State and local laws, regulations, ordinances, rules, directives, and The Joint Commission accreditation standards, relating to confidentiality. Contractor shall inform all of its officers, employees, and agents providing services hereunder of the confidentiality provisions of this Agreement. The Contractor shall sign and adhere to the provisions of the "Contractor Acknowledgement and Confidentiality Agreement", Exhibit E.

15. UNLAWFUL SOLICITATION: Contractor shall inform all of its employees performing services hereunder of the provisions of Article 9 of Chapter 4 of Division 3 (commencing with Section 6150) of California Business and Professions Code (i.e., State Bar Act provisions regarding unlawful solicitation as a runner or capper for attorneys) and shall take positive and affirmative steps in its performance hereunder to ensure that there is no violation of such provisions by its employees. Contractor shall utilize the attorney referral service of all those bar associations within Los Angeles County that have such a service.

16. CONFLICT OF INTEREST: No County employee whose position in County enables such employee to influence the award or administration of this Agreement or any competing agreement, and no spouse or economic dependent of such employee shall be employed in any capacity by Contractor, or have any other direct or indirect financial interest in this Agreement. No officer or employee of Contractor who may financially benefit from the provision of services hereunder shall in

any way participate in the County's approval, or ongoing evaluation, of such services, or in any way attempt to unlawfully influence County's approval or ongoing evaluation of such services.

Contractor shall comply with all conflict of interest laws, ordinances and regulations now in effect or hereafter to be enacted during the term of this Agreement. Contractor warrants that it is not now aware of any facts which create a conflict of interest. If Contractor hereafter becomes aware of any facts which might reasonably be expected to create conflict of interest, it shall immediately make full written disclosure of such facts to County. Full written disclosure shall include, without limitation, identification of all persons implicated and complete description of all relevant circumstances.

17. COVENANT AGAINST CONTINGENT FEES:

A. Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Agreement upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by Contractor for the purpose of securing business.

B. For breach or violation of this warranty, County shall have the right to terminate this Agreement and, in its sole discretion, to deduct from the Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.

18. FEDERAL ACCESS TO RECORDS: If, and to the extent that, Section 1861(v)(1)(I) of the Social Security Act (42 U.S.C. Section 1395x(v)(1)(I)) is applicable, Contractor agrees that for a period of four (4) years following the furnishing of services under this Agreement, Contractor shall maintain and make available, upon written request, to the Secretary of the United States Department of Health and Human

Services or the Controller General of the United States, or to any of their authorized representatives, the contracts, books, documents and records of Contractor which are necessary to verify the nature and extent of the costs of services provided hereunder. Furthermore, if Contractor carries out any of the services provided hereunder through any subcontract with a value or cost of Ten Thousand Dollars (\$10,000) or more over a twelve (12) month period with a related organization (as that term is defined under Federal law), Contractor agrees that each such subcontract shall provide for such access to the subcontract, books, documents and records of the subcontractor.

19. COUNTY AUDIT SETTLEMENTS: If, at any time during the term of this Agreement or at any time after the expiration or prior termination of this Agreement, representatives of County conduct an audit of Contractor regarding the services provided to County hereunder and if such audit finds that County's dollar liability for such services is less than the payments made by County to Contractor, then the difference shall be: (1) repaid by Contractor to County by cash payment upon demand and/or (2) at Director's sole discretion, deducted from any amounts due County to Contractor whether under this Agreement or otherwise. If such audit finds that County's dollar liability for services provided hereunder is more than the payments made by County to Contractor, then the difference shall be paid to Contractor by County by cash payment, provided that in no event shall County's total payment obligation for services hereunder be exceeded.

20. RECORDS AND AUDITS:

A. Contractor shall maintain accurate and complete financial records of its activities and operations as relating to this Contract in accordance with generally accepted accounting principles. Contractor shall also maintain accurate and complete employment and other records relating to its performance of this Contract. Contractor agrees that the County, or its authorized

representatives, shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Contract. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information shall be kept and maintained by Contractor and shall be made available to the County during the term of this Contract and for a period of five (5) years thereafter, unless County's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County's option, Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

B. In the event that an audit is conducted of Contractor specifically regarding this Agreement by any Federal or State auditor, or any auditor or accountant employed by Contractor or otherwise, Contractor shall file a copy of each such audit report with County's Auditor-Controller within thirty (30) days of Contractor's receipt thereof, unless otherwise provided under this Agreement or applicable Federal or State law. Subject to applicable law, County shall make a reasonable effort to maintain the confidentiality of such audit report(s).

C. Failure on the part of Contractor to comply with the provisions of this Paragraph shall constitute a material breach of this Agreement upon which County may terminate or suspend this Agreement.

D. If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the

County conduct an audit of the Contractor regarding the work performed under this Contract, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Contractor, then the difference shall be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of County Auditor-Controller, deducted from any amounts due to the Contractor from County, whether under this Contract or otherwise. If such audit finds that County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County by cash payment, provided that in no event shall the County's maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.

E. In addition to the above, the Contractor agrees, should the County or its authorized representatives determine, in the County's sole discretion, that it is necessary or appropriate to review a broader scope of the Contractor's records (including certain records related to non-County contracts) to enable the County to evaluate the Contractor's compliance with County's Program, that Contractor shall promptly and without delay provide to County, upon written request of County or its authorized representatives, access to and the right to examine, audit, excerpt, copy, or transcribe any and all transactions, activities, or records relating to work performed by said employees on the Contractor's non-County contracts. Contractor further acknowledges that the foregoing requirement in this subparagraph relative to Contractor's employees who have provided services to the County under this Contract is for the purpose of enabling the County in its discretion to verify Contractor's full compliance with and adherence to California labor laws and the County's Program. All such

materials and information, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by Contractor and shall be made available to County during the term of this Contract and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such materials and information prior to such time. All such materials and information shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such materials and information is located outside Los Angeles County, then, at the County's option, Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such materials and information at such other location.

21. REPORTS: Contractor shall make reports in format as required by Director concerning Contractor's activities and operations as they relate to this Agreement. Required reports include, but are not limited to, the following:

- A. Monthly reports as determined by the CHC Administrator on the total number of patients, new patients, patient visits, and treatments.
- B. Monthly report on equipment needs and dental appliances.
- C. All other reports as required by Administrator.

22. PROHIBITION AGAINST ASSIGNMENT AND DELEGATION: Contractor shall not have any right to, and shall not, assign its rights or delegate its duties under this Agreement, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this Paragraph, such County consent shall require a written amendment to this Agreement which is formally approved and

executed by the parties. Any payments by County to any approved delegate or assignee on any claim under this Agreement, in consequence of any such County consent, shall reduce dollar for dollar any claims which Contractor may have against County and shall be subject to set-off, recoupment, or other reduction for any claims which County may have against Contractor, whether under this Agreement or otherwise.

Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Agreement, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Agreement.

which are provided to the County under the Contract. "Full-time" means a minimum of 40 hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such by the County; however, fewer than 35 hours worked per week will not, in any event, be considered full-time.

3. If Contractor is required to pay a living wage when the Contract commences, Contractor shall continue to pay a living wage for the entire term of the Contract, including any option period.

4. If Contractor is not required to pay a living wage when the Contract commences, Contractor shall have a continuing obligation to review the applicability of its "exemption status" from the living wage requirement, and Contractor shall immediately notify County if Contractor at any time either comes within the Program's definition of "Employer" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately be required to commence paying the living wage and shall be obligated to pay the living wage for the remaining term of the Contract, including any option period.

The County may also require, at any time during the contract and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Program's definition of "Employer" and/or that Contractor continues to qualify for an exception to the Program. Unless Contractor satisfies this requirement within the time frame

permitted by the County, Contractor shall immediately be required to pay the living wage for the remaining term of the Contract, including any option period.

5. For purposes of the Contractor's obligation to pay its Employees the applicable hourly living wage rate under this Contract, "Travel Time" shall have the following two meanings, as applicable: 1) With respect to travel by an Employee that is undertaken in connection with this Contract, Travel Time shall mean any period during which an Employee physically travels to or from a County facility if the Contractor pays the Employee any amount for that time or if California law requires the Contractor to pay the Employee any amount for that time; and 2) With respect to travel by an Employee between County facilities that are subject to two different contracts between the Contractor and the County (of which both contracts are subject to the Living Wage Program), Travel Time shall mean any period during which an Employee physically travels to or from, or between such County facilities if the Contractor pays the Employee any amount for that time or if California law requires the Contractor to pay the Employee any amount for that time.

C. Contractor's Submittal of Certified Monitoring Reports: Contractor shall submit to the County certified monitoring reports at a frequency instructed by the County. The certified monitoring reports shall list all of Contractor's Employees during the reporting period. The certified monitoring reports shall also verify the number of hours worked, the hourly wage rate paid, and the amount paid by Contractor for health

benefits, if any, for each of its Employees. The certified monitoring reports shall also state the name and identification number of Contractor's current health care benefits plan, and Contractor's portion of the premiums paid as well as the portion paid by each Employee. All certified monitoring reports shall be submitted on forms provided by the County or any other form approved by the County which contains the above information. The County reserves the right to request any additional information it may deem necessary. If the County requests additional information, Contractor shall promptly provide such information. Contractor, through one of its officers, shall certify under penalty of perjury that the information contained in each certified monitoring report is true and accurate.

D. Contractor's Ongoing Obligation to Report Labor Law/Payroll Violations and Claims: During the term of the Contract, if the Contractor becomes aware of any labor law/payroll violation or any complaint, investigation or proceeding ("claim") concerning any alleged labor law/payroll violation (including but not limited to any violation or claim pertaining to wages, hours and working conditions such as minimum wage, prevailing wage, living wage, the Fair Labor Standards Act, employment of minors, or unlawful employment discrimination), the Contractor shall immediately inform the County of any pertinent facts known by the Contractor regarding same. This disclosure obligation is not limited to any labor law/payroll violation or claim arising out of the Contractor's contract with the County, but instead applies to any labor law/payroll violation or claim arising out of any of the Contractor's operations in California.

E. County Auditing of Contractor Records: Upon a minimum of twenty-four (24) hours written notice, the County may audit, at Contractor's place of business, any of Contractor's records pertaining to the Contract, including all documents and information relating to the certified monitoring reports. Contractor is required to

maintain all such records in California until the expiration of four (4) years from the date of final payment under the Contract. Authorized agents of the County shall have access to all such records during normal business hours for the entire period that records are to be maintained.

F. Notifications to Employees: Contractor shall place County-provided living wage posters at each of Contractor's places of business and all locations where Contractor's Employees are performing services for the County. Contractor shall also distribute County-provided notices to each of its Employees at least once per year. Contractor shall translate the posters and handouts into Spanish and any other language spoken by a significant number of its Employees.

G. Enforcement and Remedies: If Contractor fails to comply with the requirements of this Section, the County shall have the rights and remedies described in this Section in addition to any rights and remedies provided by law or equity.

1. Remedies For Submission of Late or Incomplete Certified Monitoring Reports: If Contractor submits a certified monitoring report to the County after the date it is due or if the report submitted does not contain all of the required information or is inaccurate or is not properly certified, any such deficiency shall constitute a breach of the Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:

a. Withholding of Payment. If Contractor fails to submit accurate, complete, timely and properly certified monitoring reports, the County may withhold from payment to Contractor up to the full amount of any invoice that would otherwise be due, until Contractor has satisfied the concerns of the County, which may include required submittal of

revised certified monitoring reports or additional supporting documentation.

b. Liquidated Damages. It is mutually understood and agreed that Contractor's failure to submit an accurate, complete, timely and properly certified monitoring report will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for Contractor's breach. Therefore, in the event that a certified monitoring report is deficient, including but not limited to being late, inaccurate, incomplete or uncertified, it is agreed that the County may, in its sole discretion, assess against Contractor liquidated damages in the amount of \$100 per monitoring report for each day until the County has been provided with a properly prepared, complete and certified monitoring report. The County may deduct any assessed liquidated damages from any payments otherwise due Contractor.

c. Termination. Contractor's continued failure to submit accurate, complete, timely and properly certified monitoring reports may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract.

2. Remedies for Payment of Less Than the Required

Living Wage: If Contractor fails to pay any Employee at least the applicable hourly living wage rate, such deficiency shall constitute a breach of the Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following right/remedies:

a. Withholding Payment. If Contractor fails to pay one or more of its Employees at least the applicable hourly living wage rate, the County may withhold from any payment otherwise due Contractor the aggregate difference between the living wage amounts Contractor was required to pay its Employees for a given period and the amount actually paid to the Employees for that pay period. The County may withhold said amount until Contractor has satisfied the County that any underpayment has been cured, which may include required submittal of revised certified monitoring reports or additional supporting documentation.

b. Liquidated Damages. It is mutually understood and agreed that Contractor's failure to pay any of its Employees at least the applicable hourly living wage rate will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated

damages are not intended as a penalty or forfeiture for Contractor's breach. Therefore, it is agreed that the County may, in its sole discretion, assess against Contractor liquidated damages for \$50 per Employee per day for each and every instance of an underpayment to an Employee. The County may deduct any assessed liquidated damages from any payments otherwise due Contractor.

c. Termination. Contractor's continued failure to pay any of its Employees the applicable hourly living wage rate may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract.

3. Debarment: In the event Contractor breaches a requirement of this Section, the County may, in its sole discretion, bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach, in accordance with Los Angeles County Code, Chapter 2.202, Determinations of Contractor Non-Responsibility and Contractor Debarment.

H. Use of Full-Time Employees: Contractor shall assign and use full-time employees of Contractor to provide services under the Contract unless Contractor can demonstrate to the satisfaction of the County that it is necessary to use non-full-time employees based on staffing efficiency or County requirements for the work to be performed under the Contract. It is understood and agreed that Contractor shall not, under any circumstance, use non-full-time employees for services provided under the Contract unless and until the County has provided written authorization for the use of same.

Contractor submitted with its proposal a full-time-employee staffing plan. If Contractor changes its full-time-employee staffing plan, Contractor shall immediately provide a copy of the new staffing plan to the County.

I. Contractor Retaliation Prohibited Contractor and/or its employees shall not take any adverse action which would result in the loss of any benefit of employment, any contract benefit, or any statutory benefit for any employee, person or entity who has reported a violation of the Program to the County or to any other public or private agency, entity or person. A violation of the provisions of this paragraph may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract.

J. Contractor Standards: During the term of the Contract, Contractor shall maintain business stability, integrity in employee relations and the financial ability to pay a living wage to its employees. If requested to do so by the County, Contractor shall demonstrate to the satisfaction of the County that Contractor is complying with this requirement.

K. Employee Retention Rights:

Note: This paragraph applies only if the Contract involves the provision of services that were previously provided by a contractor under a predecessor Proposition A contract or a predecessor cafeteria services contract, which predecessor contract was terminated by the County prior to its expiration.

1. Contractor shall offer employment to all retention employees who are qualified for such jobs. A "retention employee" is an individual:

a. Who is not an exempt employee under the minimum wage and maximum hour exemptions defined in the

federal Fair Labor Standards Act; and

b. Who has been employed by a contractor under a predecessor Proposition A contract or a predecessor cafeteria services contract with the County for at least six months prior to the date of this new Contract, which predecessor contract was terminated by the County prior to its expiration; and

c. Who is or will be terminated from his or her employment as a result of the County entering into this new Contract.

2. Contractor is not required to hire a retention employee who:

a. Has been convicted of a crime related to the job or his or her performance; or

b. Fails to meet any other County requirement for employees of a contractor.

3. Contractor shall not terminate a retention employee for the first 90 days of employment under the Contract, except for cause. Thereafter, Contractor may retain a retention employee on the same terms and conditions as Contractor's other employees.

L. Neutrality in Labor Relations: Contractor shall not use any consideration received under the Contract to hinder, or to further, organization of, or collective bargaining activities by or on behalf of Contractor's employees, except that this restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining agreement, or which would otherwise be permitted under the provisions of the National Labor

Relations Act.

65. CONTRACTOR RESPONSIBILITY AND DEBARMENT:

A. A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business with only responsible Contractors.

B. The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if County acquires information concerning the performance of Contractor under this Agreement or other contracts, which indicates that Contractor is not responsible, the County may, in addition to other remedies provided in the contract, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time not to exceed five (5) years but may exceed five (5) years or be permanent if warranted by circumstances, and terminate any or all existing contracts the Contractor may have with the County.

C. The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that Contractor has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against County or any other public entity.

D. If there is evidence that Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the

basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

F. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Hearing Board.

G. If a Contractor has been debarred for a period longer than five (5) years, that Contractor may, after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.

H. The Contractor Hearing Board will consider a request for review of

a debarment determination only where (1) the Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.

I. These terms shall also apply to Subcontractors of County Contractors.

66. CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION - LOWER TIER COVERED TRANSACTION (45 C.F.R. Part 76): Contractor hereby acknowledges that the County is prohibited from contracting with and making sub-awards to parties that are suspended, debarred, ineligible, or excluded or whose principals are suspended, debarred, ineligible, or excluded from securing federally funded contracts. By executing this Agreement, Contractor certifies that neither it nor any of its owners, officers, partners, directors or other principals is currently suspended, debarred,

ineligible, or excluded from securing federally funded contracts. Further, by executing this Agreement, Contractor certifies that, to its knowledge, none of its subcontractors, at any tier, or any owner, officer, partner, director, or other principal of any subcontractor is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Failure of Contractor to comply with this provision shall constitute a material breach of this Agreement upon which County may immediately terminate or suspend this Agreement.

67. PURCHASING RECYCLED-CONTENT BOND PAPER: Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at County landfills, Contractor, agrees to use recycled-content paper to the maximum extent possible on this Contract.

68. COMPLIANCE WITH JURY SERVICE PROGRAM:

68.1 This Agreement is subject to the provisions of County's ordinance entitled ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

68.2 Unless Contractor has demonstrated to County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with Contractor or that Contractor deduct from the employee's regular pay the fees received for jury service.

68.3 For purposes of this Paragraph, "Contractor" means a person, partnership, corporation or other entity which has a contract with County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if : (1) the lesser number is a recognized industry standard as determined by County, or (2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for County under this Agreement, the subcontractor shall also be subject to the provisions of this Paragraph. The provisions of this Paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.

68.4 If Contractor is not required to comply with the Jury Service Program when this Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Jury Service Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service

Program. County may also require, at any time during this Agreement and at its sole discretion, that Contractor demonstrate to County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Jury Service Program.

68.5 Contractor's violation of this Paragraph may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement and/or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

69. SAFELY SURRENDERED BABY LAW:

69.1 Contractor's Acknowledgment of County's Commitment to the Safely Surrendered Baby Law:

Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. See Exhibit J herein. Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. The County's Department of Children and Family Services will supply the Contractor with the poster to be used. Information on how to receive the poster can be found on the Internet at www.babysafela.org.

The fact sheet is available on the Internet at www.babysafela.org.

71. ASSIGNMENT BY CONTRACTOR:

A. Contractor shall not have any right to, and shall not, assign its rights or delegate its duties under this Agreement, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this Paragraph, County consent shall require a written amendment to this Agreement which is formally approved and executed by the parties. Any payments by County to any delegate or assignee on any claim under this Agreement, in consequence of any such consent, shall reduce dollar for dollar any claims which Contractor may have against County and shall be subject to set-off, recoupment or other reduction for any claims which County may have against Contractor, whether under this Agreement or otherwise.

B. Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of

Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Agreement, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Agreement.

C. Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any entity, other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be material breach of the Agreement which may result in the termination of the Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

72. TRANSITIONAL JOB OPPORTUNITIES PREFERENCE PROGRAM

ORDINANCE: This Contract is subject to the provisions of the County's ordinance entitled Transitional Job Opportunities Preference Program, as codified in Chapter 2.205 of the Los Angeles County Code.

Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Transitional Job Opportunity vendor.

Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Transitional Job Opportunity vendor.

If Contractor has obtained County certification as a Transitional Job Opportunity vendor by reason of having furnished incorrect supporting information or by reason of having withheld information, and knew, or should have known, the information furnished

was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this contract to which it would not otherwise have been entitled, shall:

1. pay to the County any difference between the contract amount and what the County's costs would have been if the contract had been properly awarded;
2. in addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than 10 percent (10%) of the amount of the contract; and
3. be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

The above penalties shall also apply to any entity that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the certifying department of this information prior to responding to a solicitation or accepting a contract award.

73. CONTRACTOR'S CHARITABLE ACTIVITIES COMPLIANCE: The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors to complete the certification in Exhibit L, the County seeks to ensure that all County Contractors which receive or raise charitable contributions comply with California law in order to protect the County and its taxpayers. A Contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings or both. (County Code Chapter 2.202).

74. CONSIDERATION OF HIRING GAIN/GROW PROGRAM PARTICIPANTS:

Should the Contractor require additional or replacement personnel after the effective date of this Contract, the Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that the Contractor will interview qualified candidates. The County will refer GAIN/GROW participants by job category to the Contractor.

In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees shall be given first priority.

75. BUDGET REDUCTIONS: In the event that the County's Board of Supervisors adopts, in any fiscal year, a County Budget which provides for reductions in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County Contracts, the County reserves the right to reduce its payment obligation under this Contract correspondingly for that fiscal year and any subsequent fiscal year during the term of this Contract (including any extensions), and the services to be provided by the Contractor under this Contract shall also be reduced correspondingly. The County's notice to the Contractor regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such actions. Except as set forth in the preceding sentence, the Contractor shall continue to provide all of the services set forth in this Contract.

IN WITNESS WHEREOF, the Board of Supervisors of the County of Los Angeles has caused this Agreement to be subscribed by its Director of Health Services and Contractor has caused this Agreement to be subscribed in its behalf by its duly authorized officer, the day, month, and year first above written.

Changes in Dental Supervisor during the contract term shall be made only with the prior written approval of the

The County reserves the right to require a change of Dental Supervisor or any other Contractor employee during the term of the contract, provided exercise of said rights is based on a failure of performance as defined in the terms of this Agreement and attachments hereto or on failure to adhere to rules and regulations of County CHC, which failure causes substantial and adverse effect on CHC patients or employees as determined by County. The Dental Supervisor, or an equally responsible and qualified person designated in writing and previously approved by the County to act on the Contractor's behalf, must be present at the CHC during all normal business hours. The Dental Supervisor must be licensed to practice dentistry in California.

Patients requiring services beyond the scope of contractor services shall be referred to County hospital dental services. However, Contractor shall be required to record such referral in the patients' dental chart.

C. Service Limitations: To provide an equitable distribution of prosthetic units, it may be necessary to defer some prosthetic services to a later date. The volume of prosthetic dentistry during a twelve (12) month period should average no less than twenty (20) prosthetic units per month. For this purpose, a prosthetic unit is a removable full or partial denture, a cast crown, or pontic. For example, a three unit fixed bridge is considered three prosthetic units. A non-cast partial denture that replaces no more than two (2) teeth is considered a half unit. Priorities for prosthetic services are included in CHC

Dental Services Policy and Procedures Manual.

D. Dental Services Same Day Service Policy: To insure that all dental emergency patients are initially screened for the purposes of providing proper treatment, all patients who present themselves to the dental clinic between 7:30 a.m. - 12:30 p.m. will be evaluated by a licensed dentist. All patients diagnosed with conditions requiring same-day-services as determined by a licensed dentist will be treated that same workday unless the patient requires a procedure not normally offered at the CHC. In such a case, referral will be arranged that same workday by the contract dentist. Patients presenting themselves to the dental clinic as emergency patients who are actually seeking non-emergency elective procedures may be scheduled for a future appointment after screening.

PERFORMANCE REQUIREMENTS SUMMARYA. Introduction

The Contractor is expected to perform all services described in the RFP. This Exhibit describes certain required services which will be monitored by the County during the term of the contract, and for which the Contractor may be assessed financial deductions (Unsatisfactory Performance Deductions) from the Basic Monthly Charge if the service has not been satisfactorily provided. The charts at the end of this Exhibit indicate each such service, the service indicators, the service standards, the maximum allowable deviations from perfect performance or the Acceptable Quality Level (AQL) before Unsatisfactory Performance Deductions shall be applied, the County's method of monitoring, and the Unsatisfactory Performance Deductions which shall be made from the Basic Monthly Charge if the County determines, in its sole discretion, that the particular service has not been satisfactorily provided. The County expects a high standard of Contractor performance under the contract and shall monitor a broad range of services specified in the contract beyond those listed in this Exhibit. DHS will make every effort to work with the Contractor to resolve any areas of difficulty. However, it is the Contractor's responsibility to satisfactorily provide all the services in Exhibit A (Performance Work Statement), some of which are summarized in the Exhibit.

B. Performance Requirements Summary Charts

The Performance Requirements Summary Charts at the end of this Exhibit:

- o List some of the services considered important to acceptable contract performance (Column 1 of each chart).
- o Show some of the service indicators for each such service (Column 2).

- o Define the standard of performance for each such service (Column 3).
- o Show the maximum allowable degree of deviation from the Acceptable Quality Level (AQL) for each such service that is allowed before the County shall deduct from the Basic Monthly Charge (Column 4).
- o Show the principal quality assurance method(s) the County will use to monitor and evaluate the Contractor's performance in meeting the contract requirements for each such service, and the frequency of such monitoring (Column 5).
- o Show the dollar amount, or method of calculating the dollar amount, that shall be deducted from the Basic Monthly Charge if the County determines, in its sole discretion, that the service has not been satisfactorily performed (Column 6).

C. Quality Assurance

Contractor's performance shall be compared each calendar month to the performance standards and AQLs using the Quality Assurance Monitoring Plan (QAMP).

The County shall use a variety of methods to evaluate the Contractor's performance. The methods of monitoring that may be used are:

- o One hundred percent inspection (review) of maintenance records.
- o Complaints received by facility.
- o County Administrative and support staff complaints.
- o Random sampling of dental radiographs, records, referrals, reports and logs. An audit shall be performed by the Quality Assurance Evaluator (QAE).

- o Patient survey and/or random patient interviews.
- o Other methods deemed by the Administrator to be appropriate for the evaluation of the Contractor's performance.

D. Criteria for Acceptable and Unacceptable Performance

Performance of a listed service is considered acceptable when the number of deficiencies found by the QAE during contract monitoring does not exceed the number of deficiencies allowed by the AQL for that service. When the performance is unacceptable, the Contractor shall complete a Contract Discrepancy Report (CDR). The CDR requires the Contractor to explain in writing why performance was unacceptable, how performance will be returned to an acceptable level, and how recurrence of the problem will be prevented. Unacceptable service performance shall result in Unsatisfactory Performance Deductions as described in Section E below.

Notwithstanding a finding of unsatisfactory service performance and imposition of Unsatisfactory Performance Deductions, the Contractor must, as soon as possible, remedy any and all deficiencies in the provision of services, and, as deemed possible or feasible by the Director perform such services again at an acceptable level.

E. Unsatisfactory Performance Deductions

If the service performance variance exceeds the AQL, the County shall assess Unsatisfactory Performance Deductions in the amount of Fifty Dollars (\$50) for each point over and above the maximum allowable of ten cumulated points per calendar month for all services shown on the Charts at the end of this Exhibit, provided that all determinations to levy such amounts shall be subject to the approval of the CEO. The CEO shall evaluate the Contractor's explanation on the CDR, and if the Director

determines, in his sole discretion, that the particular defective performance for the particular service was caused by County's failure to fulfill contractual obligations, accident, strike, or similar occurrence beyond the control and without the fault or negligence of the Contractor, then the Director may decline to count such point(s) as defective performance for such month. A point system shall be used to determine the amount of Unsatisfactory Performance Deductions to be assessed when the performance variance exceeds the AQL. Points for all services on the Charts will accumulate each calendar month. A maximum of ten (10) points shall be allowed to accumulate per calendar month before a deduction can be made from the Basic Monthly Charge. For example, if the cumulative point total for all required services for a particular month is seven (7), no assessment for Unsatisfactory Performance Deductions shall be made because seven is within the maximum allowable points per month. However, if the total cumulative points for the month is thirty (30), the assessed Unsatisfactory Performance Deductions would be One Thousand Dollars \$1,000.00 (i.e., 20 points x \$50.00).

2.201.010 Findings

The Board of Supervisors finds that the County of Los Angeles is the principal provider of social and health services within the County, especially to persons who are compelled to turn to the County for such services. Employers' failure to pay a living wage to their employees causes them to use such services thereby placing an additional burden on the County of Los Angeles.

2.201.020 Definitions

The general definitions contained in Chapter 2.02 shall be applicable to this chapter unless inconsistent with the following definitions.

A. "County" includes the County of Los Angeles, any County officer or body, any County Department head, and any County employee authorized to enter into a Proposition A contract or a cafeteria services contract with an employer.

B. "Employee" means any individual who is an employee of an employer under the laws of California, and who is providing full time services to an employer, some or all of which are provided to the County of Los Angeles under a Proposition A contract, or under a cafeteria services contract at a County of Los Angeles owned or leased facility.

C. "Employer" means:

1. An individual or entity who has a contract with the County.
 - a. For services which is required to be more economical or feasible under Section 44.7 of the Charter of the County of Los Angeles, and is not listed as an excluded contract in Section 2.121.250 B of the Los Angeles County Code, referred to in this chapter as a "Proposition A contract," or
 - b. For cafeteria services, referred to in this chapter as a "cafeteria services contract", and
 - c. Who has received or will receive an aggregate sum of \$25,000.00 or more in any 12 month period under one or more Proposition A contracts and/or one or more cafeteria

services contracts; or

2. An individual or entity that enters into a subcontract with an employer, as defined in subsection C1 and who employs employees to provide services under the employer's contract with the County.

D. "Full Time" means a minimum 40 hours worked per week, or a lesser number of hours if the lesser number is a recognized industry standard and is approved as such by the Chief Executive Officer, but in no event less than 35 hours worked per week. (Ord. 99-0048 ' 1 (part), 1999.)

E. "Proposition A contract" means a contract governed by Title 2, Section 2.121.250 et.seq. of this code, entitled Contracting with Private Business.

2.201.030 Prospective Effect

This chapter shall be applicable to Proposition A contracts and cafeteria services contracts and their amendments the terms of which commence three months or more after the effective date of this chapter. *It shall not be applicable to Proposition A contracts or cafeteria services contracts or their amendments in effect before this chapter becomes applicable. (Ord. 99-0048 ' 1 (part), 1999.)

***Editor's note:** Effective three months after the effective date of the Ordinance approval.

2.201.040 Payment of Living Wage

A. Employers shall pay employees a living rate for their services provided to the County of no less than the hourly rates set under this chapter. The rates shall be \$9.64 per hour with health benefits, or \$11.84 per hour without health benefits.

B. To qualify for the living wage rate with health benefits, an employer shall pay at least \$2.20 per hour towards the provision of bona fide health care benefits for each employee and any dependents during the term of a Proposition A contract or a cafeteria services contract. Proof of the provision of such benefits must be submitted to the County for evaluation during the procurement process to qualify for the lower living wage rate in subsection A of this section. Employers who provide health care benefits to employees through the County Department of Health Services Community Health Plan are deemed to have qualified for the lower living wage rate in subsection A of this section.

C. The Board of Supervisors may, from time to time, adjust the amounts specified in subsection A and B of this section, above for future contracts. Any adjustments to the living wage rate specified in subsections A and B that are adopted by the Board of Supervisors shall be applicable to Proposition A contracts and cafeteria services contracts and their amendments which become effective three months or more after the effective date of the ordinance that adjusts the living wage rate.

2.201.050 Other Provisions

A. Full Time Employees. An employer shall assign and use full time employees to provide services under a Proposition A contract or a cafeteria services contract, unless the employer can demonstrate to the County the necessity to use non-full time employees based on staffing efficiency or the County requirements of an individual job.

B. Neutrality in Labor Relations. An employer shall not use any consideration received under a Proposition A contract or a cafeteria services contract to hinder, or to further, organization of, or collective bargaining activities by or on behalf of an employer's employees, except that this restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining agreement, or which would otherwise be permitted under the provisions of the National Labor Relations Act.

IRS NOTICE 1015

(Obtain latest version from IRS website -
<http://ftp.fedworld.gov/pub/irs-pdf/n1015.pdf>)

Department of the Treasury
 Internal Revenue Service
Notice 1015
 (Rev. October 2001)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What Is the EIC?

The EIC is a refundable tax credit for certain workers.

A change to note. Workers **cannot** claim the EIC if their 2001 investment income (such as interest and dividends) is over \$2,450.

Which Employees Must I Notify About the EIC? You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on **Form W-4**, Employee's Withholding Allowance Certificate.

Note: You are encouraged to notify each employee whose wages for 2001 are less than \$32,121 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees? You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2002.

You must hand the notice directly to the employee or send it by First-Class Mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice by calling 1-800-829-3676. You can also get the notice from the IRS Web Site at www.irs.gov.

How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see the 2001 instructions for Form 1040, 1040A, 1040EZ, or Pub. 596, Earned Income Credit.

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2001 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2001 and owes no tax but is eligible for a credit of \$791, he or she must file a 2001 tax return to get the \$791 refund.

How Do My Employees Get Advance EIC Payments?

Eligible employees who expect to have a qualifying child for 2001 can get part of the credit with their pay during the year by giving you a completed Form W-5, Earned Income Credit Advance Payment Certificate. You must include advance EIC payments with wages paid to these employees, but the payments are not wages and are not subject to payroll taxes. Generally, the payments are made from withheld income, social security, and Medicare taxes. For details, see Pub. 15, Employer's Tax Guide.

BUSINESS ASSOCIATE PROTECTED HEALTH INFORMATION DISCLOSURE AGREEMENT

Under this Agreement, Contractor ("Business Associate") provides services ("Services") to County ("Covered Entity") and Business Associate receives, has access to or creates Protected Health Information in order to provide those Services. Covered Entity is subject to the Administrative Simplification requirements of the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), and regulations promulgated thereunder, including the Standards for Privacy of Individually Identifiable Health Information ("Privacy Regulations") and the Health Insurance Reform: Security Standards ("the Security Regulations") at 45 Code of Federal Regulations Parts 160 and 164 ("together, the "Privacy and Security Regulations").

The Privacy and Security Regulations require Covered Entity to enter into a contract with Business Associate in order to mandate certain protections for the privacy and security of Protected Health Information, and those Regulations prohibit the disclosure to or use of Protected Health Information by Business Associate if such a contract is not in place;

Therefore, the parties agree as follows:

DEFINITIONS

1.1 "Disclose" and "Disclosure" mean, with respect to Protected Health Information, the release, transfer, provision of access to, or divulging in any other manner of Protected Health Information outside Business Associate's internal operations or to other than its employees.

1.2 "Electronic Media" has the same meaning as the term "electronic media" in 45C.F.R. § 160.103. Electronic Media means (1) Electronic storage media including memory devices in computers (hard drives) and any removable/transportable digital memory medium, such as magnetic tape or disk, optical disk, or digital memory card; or (2) Transmission media used to exchange information already in electronic storage media. Transmission media include, for example, the internet (wide-open), extranet (using internet technology to link a business with information accessible only to collaborating parties), leased lines, dial-up lines, private networks, and the physical movement of removable/transportable electronic storage media. Certain transmissions, including of paper, via facsimile, and of voice, via telephone, are not considered to be transmissions via electronic media, because the information being exchanged did not exist in electronic form before the transmission. The term "Electronic Media" draws no distinction between internal and external data, at rest (that is, in storage) as well as during transmission.

1.3 "Electronic Protected Health Information" has the same meaning as the term "electronic protected health information" in 45 C.F.R. § 160.103. Electronic Protected Health Information means Protected Health Information that is (i) transmitted by electronic media; (ii) maintained in electronic media.

1.4 "Individual" means the person who is the subject of Protected Health Information and shall include a person who qualifies as a personal representative in accordance with 45 C.F.R. § 164.502(g).

1.5 "Protected Health Information" has the same meaning as the term "protected health information" in 45 C.F.R. § 164.501, limited to the information created or received by Business Associate from or on behalf of Covered Entity. Protected Health Information includes information that (i) relates to the past, present or future physical or mental health or condition of an Individual; the provision of health care to an Individual, or the past, present or future payment for the provision of health care to an Individual; (ii) identifies the Individual (or for which there is a reasonable basis for believing that the information can be used to identify the Individual); and (iii) is received by Business Associate from or on behalf of Covered Entity, or is created by Business Associate, or is made accessible to Business Associate by Covered Entity. "Protected Health Information" includes Electronic Health Information.

1.6 "Required By Law" means a mandate contained in law that compels an entity to make a Use or Disclosure of Protected Health Information and that is enforceable in a court of law. Required by law includes, but is not limited to, court orders and court-ordered warrants; subpoenas or summons issued by a court, grand jury, a governmental or tribal inspector general, or any administrative body authorized to require the production of information; a civil or an authorized investigative demand; Medicare conditions of participation with respect to health care providers participating in the program; and statutes or regulations that require the production of information, including statutes or regulations that require such information if payment is sought under a government program providing benefits.

1.7 "Security Incident" means the attempted or successful unauthorized access, Use, Disclosure, modification, or destruction of information in, or interference with system operations of, an Information System which contains Electronic Protected Health Information. What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernard no under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Sin pena. Sin culpa. Sin peligro.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de redamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

Cada recién nacido merece una oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele qué otras opciones tiene.

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.

WHEREAS, Contractor is duly licensed and certified under the laws of the State of California to engage in the business of providing non-hospital based dental services as described hereunder and possesses the competence, expertise, and personnel

required to provide such services; and

WHEREAS, in response to County's RFP for such services, Contractor has submitted its proposal to County and desires to provide such services; and

WHEREAS, based on competitive negotiation, DHS has selected Contractor for recommendation to County's Board of Supervisors to provide such services; and

WHEREAS, this Agreement is authorized by California Government Code Sections 23004, 26227, and 31000 and California Health and Safety Code Sections 1441, 1445, and 1451.

NOW THEREFORE, the parties hereto agree as follows:

1. TERM:

A. The term of this Agreement shall commence on November 1, 2007 and shall continue in full force and effect through October 31, 2012. The Agreement may thereafter be extended on a month-to-month basis, for a period not to exceed six (6) months, through April 30, 2013, upon the mutual agreement of both parties and contingent upon availability of funds.

B. Contractor may terminate this Agreement by giving at least sixty (60) days prior written notice to County in the event County materially fails to discharge its obligations hereunder. Contractor's failure to exercise this right of termination shall not constitute a waiver of such right which may be exercised in the event of any subsequent breach. Termination provisions for County are found in Paragraphs 5 (County's Obligation for Future Fiscal Years), 8 (Indemnification and Insurance), 9 (Contractor Performance During Civil Unrest or Disaster), 13 (Nondiscrimination in Employment and Affirmative Action), 17 (Covenant Against Contingent Fees), 20 (Records and Audits), 27 (Termination for Insolvency), 28 (Termination For Default), 35 (Termination for Gratuities), 36 (Termination for Improper Consideration), 37 (Termination for Convenience), 56

Unless otherwise specified, in the event that this Agreement is terminated as provided hereunder, the submittal of the termination claim and invoice, the negotiation of a final termination settlement, and the retention of records, shall be the same as if the notice of termination had been issued by County terminating all services hereunder pursuant to Paragraph 37 (Termination for Convenience) below.

C. The term of this Agreement may be extended by Director beyond the stated expiration date on a month-to-month basis, for a period of time not to exceed six (6) months, upon the mutual agreement of the both parties. All provisions of the Agreement in effect on the date the term commences shall remain in effect for the duration of the extension. Compensation for work performed during the extension period shall be prorated on a monthly basis where applicable, and on a daily basis for time periods of less than a month.

If Director and Contractor mutually fail to agree to extend the Agreement on a month-to-month basis as of the expiration date set forth in Paragraph 1.A above, then the Agreement shall expire on said date.

D. In the event of the expiration or prior termination of the term of this Agreement, Contractor shall fully cooperate with County to provide for the transition to whatever service replacement method County determines to be in its best interest.

2. DESCRIPTION OF SERVICES:

A. Contractor shall provide dental services for the CHC in the manner and form as described in the body of this Agreement and in Exhibit A, attached hereto and incorporated herein by reference.

B. All policies, procedures, and standards are provided by the CHC. The

Contractor shall develop from the CHCs' policies, procedures, and standards their operational manual.

3. MAXIMUM OBLIGATION OF COUNTY: The Maximum Obligation of County for Contractor's performance of Proposition A dental services, as set forth in Exhibit A of this Agreement, is Three Million Six Hundred Forty-Four Thousand Eight Hundred Dollars (\$3,644,800) for the term of the Agreement commencing the date of Board approval through October 31, 2012.

If sufficient monies are available from federal, State, or County funding sources, and upon Director's or his authorized designee's approval, County may require additional services and authorize to Contractor an increase to the applicable County total maximum obligation as payment for such services of no more than ten percent (10%) at a cost of not more than Three Hundred Sixty-Four Thousand Four Hundred Eighty Dollars (\$364,480), as determined by County. If the increase exceeds ten percent (10%) of the County maximum obligation, approval by County's Board of Supervisors shall be required. Any such change in any County maximum obligation shall be effected by an amendment to this Agreement pursuant to the ALTERATION OF TERMS paragraph of this Agreement.

Upon mutual agreement of County and Contractor, this Agreement may be extended up to six months beginning November 1, 2012 through April 30, 2013. The Maximum Obligation of the County during the extended term of the Agreement shall not exceed Four Hundred Thirty-One Thousand Three Hundred Seventy-Seven Dollars (\$431,377).

4. BILLING AND PAYMENT: For all services hereunder, Contractor shall bill County monthly, in arrears, in accordance with the fees set forth in Exhibit B, attached hereto and incorporated herein by reference, on billing forms furnished by County, provided that if County fails to furnish billing forms, Contractor forms will be acceptable.

County shall pay Contractor within thirty (30) days following receipt of a complete and correct billing as provided in Exhibit B.

5. COUNTY'S OBLIGATION FOR FUTURE FISCAL YEARS:

Notwithstanding any other provision of this Agreement, County shall not be obligated for Contractor's performance hereunder or by any provision of this Agreement during any of County's future fiscal years unless and until County's Board of Supervisors appropriates funds for this Agreement in County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last County fiscal year for which funds were appropriated. If the Agreement is terminated due to non-appropriation of funds by County, County shall be obligated for Contractor's performance pursuant to the provision of Paragraph 4 "Billing and Payment" up to the date termination as noticed in writing by the County. County shall notify Contractor in writing of such non-allocation of funds within five (5) working days of final decision by the Board on non-appropriation of funds.

6. ADMINISTRATION: Director of DHS, or his duly authorized designee (hereafter collectively referred to as "Director"), shall have the authority to administer this Agreement on behalf of County. Director retains professional and administrative responsibility for the services rendered under this Agreement. This general responsibility, however, does not relieve Contractor from its specific duties stated elsewhere under Agreement, including, but not limited to, the obligations (1) to perform its professional services according to customary quality of care standards in the community and under Agreement, and (2) to defend the County and other named agencies and individuals for claims, and to indemnify them for any resultant damages, based upon Contractor's failure or alleged failure to satisfy such quality of care standards. Contractor shall designate in writing a person who shall have the authority

to administer this Agreement on behalf of Contractor. The term "Administrator", as used in this Agreement, means Health Facility Administrator or his duly authorized designee.

7. INDEPENDENT CONTRACTOR STATUS:

A. This Agreement is by and between County and Contractor and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between County and Contractor. The employees and agents of one party shall not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.

B. Contractor shall be solely liable and responsible for providing to, or on behalf of, all persons performing services pursuant to this Contract all compensation and benefits. County shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of Contractor.

C. Contractor understands and agrees that all persons performing services pursuant to this Agreement are, for purposes of Workers' Compensation liability, the sole employees of Contractor and not employees of County. Contractor shall be the solely liable and responsible for furnishing any and all Workers' Compensation benefits to any person as a result of any injuries arising from or connected with services performed by or on behalf of Contractor pursuant to this Agreement.

D. The Contractor shall adhere to the provisions stated in Paragraph 14 - Confidentiality.

8. INDEMNIFICATION AND INSURANCE:

A. Indemnification: Contractor shall indemnify, defend, and hold harmless County and its Special Districts, elected and appointed officers, employees, and agents from and against any and all liability and expense, including but not limited to demands, claims, actions, fees, costs, and expenses (including attorney and expert witness fees), arising from or connected with Contractor's acts and/or omissions arising from and/or relating to this Agreement.

B. General Insurance Requirements: Without limiting Contractor's indemnification of County, and during the term of this Agreement, Contractor shall provide and maintain, and shall require all of its subcontractors to maintain, the following programs of insurance specified in this Agreement. Such insurance shall be primary to and not contributing with any other insurance or self-insurance programs maintained by County, and such coverage shall be provided and maintained at Contractor's own expense.

1. Evidence of Insurance: Certificate(s) or other evidence of coverage satisfactory to County shall be delivered to Department Contract Administrator Name and Address prior to commencing services under this Agreement. Such certificates or other evidence shall:

Angeles, its Special Districts, its officials, officers, and employees as insureds for all activities arising from this Agreement.

(e) Identify any deductibles or self-insured retentions for County's approval. County retains the right to require Contractor to reduce or eliminate such deductibles or self-insured retentions as they apply to County, or, require Contractor to provide a bond guaranteeing payment of all such retained losses and related costs, including, but not limited to, expenses or fees, or both, related to investigations, claims administrations, and legal defense. Such bond shall be executed by a corporated surety licensed to transact business in the State of California.

2. Insurer Financial Ratings: Insurance is to be provided by an insurance company acceptable to County with an A.M. Best rating of not less than A:VII, unless otherwise approved by County.

3. Failure to Maintain Coverage: Failure by Contractor to maintain the required insurance, or to provide evidence of insurance coverage acceptable to County, shall constitute a material breach of contract upon which County may immediately terminate or suspend this Agreement. County, at its sole option, may obtain damages from Contractor resulting from said breach. Alternatively, County may purchase such required insurance coverage, and without further notice to Contractor, County may deduct from sums due to Contractor any premium costs advanced by County for such insurance.

4. Notification of Incidents, Claims or Suits: Contractor shall report to County:

(a) any accident or incident relating to services

performed under this Agreement which involves injury or property damage which may result in the filing of a claim or lawsuit against Contractor and/or County. Such report shall be made in writing within 24 hours of occurrence.

(b) any third party claim or lawsuit filed against Contractor arising from or related to services performed by Contractor under this Agreement.

(c) any injury to a Contractor employee which occurs on County property. This report shall be submitted on a County "Non-employee Injury Report" to County contract manager.

5. Compensation for County Costs: In the event that Contractor fails to comply with any of the indemnification or insurance requirements of this Agreement, and such failure to comply results in any results to County, Contractor shall pay full compensation for all costs incurred by County.

6. Insurance Coverage Requirements for Subcontractors: Contractor shall ensure any and all subcontractors performing services under this Agreement meet the insurance requirements of this Agreement by either:

(a) Contractor providing evidence of insurance covering the activities of subcontractors, or

(b) Contractor providing evidence submitted by subcontractors evidencing that subcontractors maintain the

required insurance coverage. County retains the right to obtain copies of evidence of subcontractor insurance coverage at any time.

7. Insurance Coverage Requirements:

A. General Liability insurance (written on ISO policy form CG 00 01 or its equivalent) with limits of not less than the following:

General Aggregate: \$2 million

Products/Completed
Operations Aggregate: \$1 million

C. If Contractor's employees will be engaged in maritime employment, coverage shall provide workers compensation benefits as required by the U.S. Longshore and Harbor Workers' Compensation Act, Jones Act, or any other federal law for which Contractor is responsible.

In all cases, the above insurance also shall include Employers' Liability coverage with limits of not less than the

(2) Certificate of Deposit (CD) or Letter of Credit (LOC): A CD or an irrevocable LOC payable to the County upon demand in an amount no less than \$ (determined by

department). Such CD or LOC shall comply with minimum criteria and standards established by the County and be maintained throughout the term of the Agreement.

9. CONTRACTOR PERFORMANCE DURING CIVIL UNREST OR DISASTER: Contractor recognizes that health care facilities maintained by County provide care essential to the residents of the communities they serve, and that these services are of particular importance at the time of a riot, insurrection, civil unrest, natural disaster or similar event. Notwithstanding any other provision of this Agreement, full performance by Contractor during any riot, insurrection, civil unrest, natural disaster or similar event is not excused if such performance remains physically possible, as determined by County. Failure to comply with this requirement shall be considered a material breach of this Agreement by Contractor for which County may immediately terminate this Agreement.

10. LIQUIDATED DAMAGES: All time limits and required acts of Contractor are of the essence for this Agreement. Should Contractor fail to perform or complete the services required to be done within seven (7) days after written notice is provided pursuant to Paragraph 28 (Termination for Default) below, it is mutually understood and agreed that damages will occur and that such damages will be impracticable or extremely difficult to fix as to the extent of actual damages resulting from the failure of Contractor to correct a deficiency within such time frame. A reasonable estimate by the parties of such damage is Two Hundred Dollars (\$200) per day for each day exceeding such seven (7) days. Therefore, the parties agree that Contractor shall be liable to County for liquidated damages, and not as a penalty, in the amount of Two Hundred Dollars (\$200) per day for each day exceeding such seven (7) days.

Additionally, and notwithstanding the above provision, should Contractor fail to correct deficiencies within such seven (7) days, Administrator may, upon giving five (5)

days notice to Contractor, correct any and all deficiencies. All costs incurred by County, as determined by County, to perform such services by an alternate source, whether with County employees or another Contractor, shall be deducted and forfeited from any amounts due to Contractor from County. Such deductions as well as any deductions pursuant to Exhibit A (Performance Work Statement For Dental Services) and Paragraph 4 (Billing and Payment) of Sample Agreement, shall not be construed as a penalty but as adjustment of payment to Contractor for only the services actually performed, and the recovery of County cost and damages from the failure of Contractor to perform or otherwise comply with the provisions of this Agreement.

11. PERFORMANCE STANDARDS: It is mutually understood and agreed that Contractor's failure to provide timely dental services and HIV/AIDS dental services, to comply with assessment and evaluation plans, to comply with training requirement as described in Exhibit A, or to comply with certain other contract requirements as specified in the Performance Requirements Summary, attached hereto as Exhibit C and incorporated herein by reference, may create damages to County's patients, County's staff, and others and that such damages, from the nature of the case, will be extremely difficult to measure and impractical to fix. Therefore, County and Contractor hereby agree to fix the amounts of such damages in advance as set forth in the Performance Requirements Summary.

The reasonable and necessary cost of investigation by Administrator, as determined by County, of any such failure of performance by Contractor may also be assessed against Contractor as provided in this Paragraph in addition to such amounts provided that failure of Contractor's performance arises out of circumstances under Contractor's control.

All determinations to levy such amounts for damages shall be subject to approval by Administrator. Administrator may decline to levy such amounts for damages if

Administrator determines that the particular violation was caused by a strike or accident or similar occurrence beyond the control and without the fault or negligence of Contractor.

12. NONDISCRIMINATION IN SERVICES: Contractor shall not discriminate in the provision of services hereunder because of race, color, religion, national origin, ancestry, sex, age or physical or mental handicap, in accordance with all applicable requirements of Federal and State law. For the purpose of this Paragraph, discrimination in the provision of services may include, but is not limited to, the following: denying any person any service or benefit or the availability of a facility; providing any service or benefit to any person which is not equivalent, or is not provided in an equivalent manner or at an non-equivalent time, from that provided to others; subjecting any person to segregation or separate treatment in any manner related to the receipt of any service other than precautions dictated by infectious control procedures; restricting any person in any way in the enjoyment of any advantage or privilege enjoyed by others receiving any service or benefit; and treating any person differently from others in determining admission, enrollment quota, eligibility, membership, or any other requirements or conditions which persons must meet in order to be provided any service or benefit. Contractor shall ensure that recipient of services under this Agreement are provided services without regard to race, color, religion, national origin, ancestry, sex, age, or physical or mental handicap.

13. NONDISCRIMINATION IN EMPLOYMENT AND AFFIRMATIVE ACTION:

A. Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies, are and will be treated equally by it without regard to or because of race, color, religion, ancestry, national origin, sex, age, or physical or mental handicap, in compliance with all applicable Federal and State anti-discrimination laws and regulations.

B. Contractor shall take affirmative action to ensure that qualified applicants are employed, and that employees are treated during employment without regard to race, color, religion, national origin, ancestry, sex, age, or physical or mental handicap, in compliance with all applicable Federal and State anti-discrimination laws and regulations. Such action shall include, but is not limited to, the following: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

C. Contractor shall deal with its subcontractors, bidders, or vendors without regard to or because of race, color, religion, ancestry, national origin, sex, age, or physical or mental handicap.

D. Contractor shall allow County representatives access to its employment records during regular business hours to verify compliance with the provisions of this Paragraph when so requested by Director.

E. If County finds that any of the above provisions have been violated, the same shall constitute a material breach of this Agreement upon which County may determine to cancel, terminate, or suspend this Agreement. While County reserves the right to determine independently that the anti-discrimination provisions of this Agreement have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that Contractor has violated State or Federal anti-discrimination laws or regulations shall constitute a finding by County that Contractor has violated the anti-discrimination provisions of this Agreement.

F. The parties agree that in the event that Contractor violates the anti-discrimination provisions of this Agreement, County shall, at its option, be

entitled to a sum of Five Hundred Dollars (\$500) pursuant to California Civil Code Section 1671 as liquidated damages in lieu of canceling, terminating, or suspending this Agreement.

14. CONFIDENTIALITY: Contractor shall maintain the confidentiality of all records, including, but not limited to, County records, and patient records, in accordance with all applicable Federal, State and local laws, regulations, ordinances, rules, directives, and The Joint Commission accreditation standards, relating to confidentiality. Contractor shall inform all of its officers, employees, and agents providing services hereunder of the confidentiality provisions of this Agreement. The Contractor shall sign and adhere to the provisions of the "Contractor Acknowledgement and Confidentiality Agreement", Exhibit E.

15. UNLAWFUL SOLICITATION: Contractor shall inform all of its employees performing services hereunder of the provisions of Article 9 of Chapter 4 of Division 3 (commencing with Section 6150) of California Business and Professions Code (i.e., State Bar Act provisions regarding unlawful solicitation as a runner or capper for attorneys) and shall take positive and affirmative steps in its performance hereunder to ensure that there is no violation of such provisions by its employees. Contractor shall utilize the attorney referral service of all those bar associations within Los Angeles County that have such a service.

16. CONFLICT OF INTEREST: No County employee whose position in County enables such employee to influence the award or administration of this Agreement or any competing agreement, and no spouse or economic dependent of such employee shall be employed in any capacity by Contractor, or have any other direct or indirect financial interest in this Agreement. No officer or employee of Contractor who may financially benefit from the provision of services hereunder shall in any way participate in the County's approval, or ongoing evaluation, of such services, or

in any way attempt to unlawfully influence County's approval or ongoing evaluation of such services.

Contractor shall comply with all conflict of interest laws, ordinances and regulations now in effect or hereafter to be enacted during the term of this Agreement. Contractor warrants that it is not now aware of any facts which create a conflict of interest. If Contractor hereafter becomes aware of any facts which might reasonably be expected to create conflict of interest, it shall immediately make full written disclosure of such facts to County. Full written disclosure shall include, without limitation, identification of all persons implicated and complete description of all relevant circumstances.

17. COVENANT AGAINST CONTINGENT FEES:

A. Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Agreement upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by Contractor for the purpose of securing business.

B. For breach or violation of this warranty, County shall have the right to terminate this Agreement and, in its sole discretion, to deduct from the Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.

18. FEDERAL ACCESS TO RECORDS: If, and to the extent that, Section 1861(v)(1)(I) of the Social Security Act (42 U.S.C. Section 1395x(v)(1)(I)) is applicable, Contractor agrees that for a period of four (4) years following the furnishing of services under this Agreement, Contractor shall maintain and make available, upon written request, to the Secretary of the United States Department of Health and Human Services or the Controller General of the United States, or to any of their authorized

representatives, the contracts, books, documents and records of Contractor which are necessary to verify the nature and extent of the costs of services provided hereunder. Furthermore, if Contractor carries out any of the services provided hereunder through any subcontract with a value or cost of Ten Thousand Dollars (\$10,000) or more over a twelve (12) month period with a related organization (as that term is defined under Federal law), Contractor agrees that each such subcontract shall provide for such access to the subcontract, books, documents and records of the subcontractor.

19. COUNTY AUDIT SETTLEMENTS: If, at any time during the term of this Agreement or at any time after the expiration or prior termination of this Agreement, representatives of County conduct an audit of Contractor regarding the services provided to County hereunder and if such audit finds that County's dollar liability for such services is less than the payments made by County to Contractor, then the difference shall be: (1) repaid by Contractor to County by cash payment upon demand and/or (2) at Director's sole discretion, deducted from any amounts due County to Contractor whether under this Agreement or otherwise. If such audit finds that County's dollar liability for services provided hereunder is more than the payments made by County to Contractor, then the difference shall be paid to Contractor by County by cash payment, provided that in no event shall County's total payment obligation for services hereunder be exceeded.

20. RECORDS AND AUDITS:

A. Contractor shall maintain accurate and complete financial records of its activities and operations as relating to this Contract in accordance with generally accepted accounting principles. Contractor shall also maintain accurate and complete employment and other records relating to its performance of this Contract. Contractor agrees that the County, or its authorized representatives, shall have access to and the right to examine, audit, excerpt,

copy, or transcribe any pertinent transaction, activity, or record relating to this Contract. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information shall be kept and maintained by Contractor and shall be made available to the County during the term of this Contract and for a period of five (5) years thereafter, unless County's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County's option, Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

B. In the event that an audit is conducted of Contractor specifically regarding this Agreement by any Federal or State auditor, or any auditor or accountant employed by Contractor or otherwise, Contractor shall file a copy of each such audit report with County's Auditor-Controller within thirty (30) days of Contractor's receipt thereof, unless otherwise provided under this Agreement or applicable Federal or State law. Subject to applicable law, County shall make a reasonable effort to maintain the confidentiality of such audit report(s).

C. Failure on the part of Contractor to comply with the provisions of this Paragraph shall constitute a material breach of this Agreement upon which County may terminate or suspend this Agreement.

D. If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the County conduct an audit of the Contractor regarding the work performed under

this Contract, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Contractor, then the difference shall be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of County Auditor-Controller, deducted from any amounts due to the Contractor from County, whether under this Contract or otherwise. If such audit finds that County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County by cash payment, provided that in no event shall the County's maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.

E. In addition to the above, the Contractor agrees, should the County or its authorized representatives determine, in the County's sole discretion, that it is necessary or appropriate to review a broader scope of the Contractor's records (including certain records related to non-County contracts) to enable the County to evaluate the Contractor's compliance with County's Program, that Contractor shall promptly and without delay provide to County, upon written request of County or its authorized representatives, access to and the right to examine, audit, excerpt, copy, or transcribe any and all transactions, activities, or records relating to work performed by said employees on the Contractor's non-County contracts. Contractor further acknowledges that the foregoing requirement in this subparagraph relative to Contractor's employees who have provided services to the County under this Contract is for the purpose of enabling the County in its discretion to verify Contractor's full compliance with and adherence to California labor laws and the County's Program. All such materials and information, including, but not limited to, all financial records, bank

statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by Contractor and shall be made available to County during the term of this Contract and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such materials and information prior to such time. All such materials and information shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such materials and information is located outside Los Angeles County, then, at the County's option, Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such materials and information at such other location.

21. REPORTS: Contractor shall make reports in format as required by Director concerning Contractor's activities and operations as they relate to this Agreement. Required reports include, but are not limited to, the following:

- B. Monthly report on equipment needs and dental appliances.
- C. All other reports as required by Administrator.

22. PROHIBITION AGAINST ASSIGNMENT AND DELEGATION: Contractor shall not have any right to, and shall not, assign its rights or delegate its duties under this Agreement, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this Paragraph, such County consent shall require a written amendment to this Agreement which is formally approved and executed by the parties. Any payments by County to any approved delegate or

assignee on any claim under this Agreement, in consequence of any such County consent, shall reduce dollar for dollar any claims which Contractor may have against County and shall be subject to set-off, recoupment, or other reduction for any claims which County may have against Contractor, whether under this Agreement or otherwise.

Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Agreement, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Agreement.

Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any entity, other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be material breach of the Agreement which may result in the termination of the Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

23. RULES AND REGULATIONS: During the time that Contractor's employees are at the CHC, such persons shall be subject to the rules and regulations of the CHC. Copies of all policies, procedures, rules, and regulations of the CHC will be made available to Contractor by the CHC.

It is the responsibility of Contractor to acquaint such persons who are to provide

services hereunder with such rules and regulations. Contractor shall take immediate corrective action upon receipt of written and/or verbal notice from Administrator that: (1) any such employee has violated such rules and regulations, or (2) such employee's actions, while on County premises, indicate that such employee may adversely affect the delivery of health care services. In the event that Administrator decides that the corrective action taken by Contractor is not sufficient, then: (1) Contractor shall remove or suspend such employee from the provision of services hereunder or take such other action as requested by Administrator, and (2) if Contractor reasonably disagrees with the action requested by Administrator, upon demand by Contractor, County shall immediately indemnify Contractor for any liability and costs, including reasonable attorneys' fees, incurred by Contractor in connection with its defense of any legal action or any administrative proceeding arising from such removal or suspension heard before an appropriate administrative agency or filed in a competent court by any such affected employee.

24. LICENSES, PERMITS, REGISTRATIONS, AND CERTIFICATES:

Contractor shall obtain and maintain in effect during the term of this Agreement, all licenses, permits, registrations, and certificates required by law which are applicable to its performance of this Agreement, and shall ensure that all its officers, employees, and agents, who perform services hereunder obtain and maintain in effect during the term of this Agreement, all licenses, permits, registrations, and certificates required by law which are applicable to their performance of services hereunder.

25. COMPLIANCE WITH APPLICABLE LAW:

A. Contractor shall comply with all Federal, State, and local laws, ordinances, regulations, rules, and directives applicable to its performance hereunder. Further, all provisions required thereby to be included in this Agreement are hereby incorporated herein by reference.

B. Contractor shall indemnify and hold harmless County from and against any and all loss, damage, liability or expense resulting from any violation on the part of Contractor, its officers, employees, or agents, of such Federal, State or local laws, ordinances, regulations, rules, or directives.

26. FORM OF BUSINESS ORGANIZATION: Contractor shall prepare and submit to DHS, within ten days following the execution of this Agreement, an affidavit, sworn to and executed by Contractor's duly constituted officers, containing the following information:

A. The form of Contractor's business organization, i.e., proprietorship, partnership, or corporation.

B. A detailed statement indicating whether Contractor is totally or substantially owned by another business organization.

C. A detailed statement indicating whether Contractor totally or partially owns any other business organization that will be providing services, supplies, materials, or equipment to Contractor or in any manner does business with Contractor under this Agreement.

27. TERMINATION FOR INSOLVENCY:

A. County may cancel forthwith this Agreement for default in the event of the occurrence of any of the following:

(1) Insolvency of Contractor. Contractor shall be deemed to be insolvent if it has ceased to pay its debts in the ordinary course of business or cannot pay its debts as they become due, whether it has committed an act of bankruptcy or not, and whether insolvent within the meaning of the Federal Bankruptcy Code or not.

(2) The filing of a voluntary or involuntary petition under the Federal Bankruptcy Code;

(3) The appointment of a receiver or trustee for Contractor; or

(4) The execution by Contractor of an assignment for the benefit of creditors.

B. The rights and remedies of County provided in this Paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

28. TERMINATION FOR DEFAULT:

A. County may, subject to the provisions of Subparagraph C below, by written notice of default to Contractor, terminate this Agreement in any one of the following circumstances:

(1) If Contractor fails to perform the services within the time specified herein or any extension thereof; or

(2) If Contractor fails to perform any of the other provisions of this Agreement, or so fails to make progress as to endanger performance of this Agreement in accordance with its terms, and in either these two circumstances does not cure such failure within a period of ten (10) days (or such longer period as County may authorize in writing) after receipt of notice from County specifying such failure.

B. In the event County terminates this Agreement as provided in Subparagraph A above, County may procure, upon such terms and in such manner as County may deem appropriate, services similar to those so terminated, and Contractor shall be liable to County for any reasonable excess costs incurred by County, as determined by County, for such similar services, provided that Contractor shall continue the performance of this Agreement to the extent not terminated under the provisions of this Paragraph.

C. Except with respect to defaults of subcontractors, Contractor shall

not be liable for any excess costs if the failure to perform this Agreement arises out of causes beyond the control and without the fault or negligence of Contractor. Such causes may include, but are not limited to, acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign or contractual capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case the failure to perform must be beyond the control and without the fault or negligence of Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both Contractor and subcontractor, and without the negligence of either of them, Contractor shall not be liable for any excess costs for failure to perform unless the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule, and unless Contractor knew or should have known within a reasonable time before occurrence that a default was about to occur.

D. If, after notice of termination of this Agreement under the provisions of this Paragraph, it is determined for any reason that the Contractor was not in default under the provisions of this Paragraph, or that the default was excusable under the provisions of this Paragraph, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Paragraph 37 (Termination for Convenience) below.

If, after Contractor's receipt of a Notice of Termination based on the provisions of this Paragraph, and it is determined that Contractor was not in default or that the default was excusable under the provisions of this Paragraph, Contractor, at its option, may terminate this Agreement. Thereafter, the rights

B. Contractor's Dental Supervisor: Contractor shall provide a full-time employee as an on-site Dental Supervisor, who shall be responsible for the overall management and coordination of services provided under the contract. Changes in Dental Supervisor during the contract term shall be made only with the prior written approval of the

The County reserves the right to require a change of Dental Supervisor or any other Contractor employee during the term of the contract, provided exercise of said rights is based on a failure of performance as defined in the terms of this Agreement and attachments hereto or on failure to adhere to rules and regulations of County CHC, which failure causes substantial and adverse effect on CHC patients or employees as determined by County. The Dental Supervisor, or an equally responsible and qualified person designated in writing and previously approved by the County to act on the Contractor's behalf, must be present at the CHC during all normal business hours. B. Upon receipt of a Contract Discrepancy Report, Contractor shall respond in writing to the County Contract Coordinator within five (5) work days acknowledging the reported discrepancy(ies) or presenting contrary evidence and presenting a program for immediate correction of all failures in performance which have been identified.

C. Contractor shall remedy any performance defect identified by re-performance of the work or corrective action despite imposition of Unsatisfactory Performance Deductions.

D. Dental Supervisor shall meet with the County Contract Coordinator weekly for the first two (2) months of the contract term and at regularly scheduled intervals, as mutually agreed upon, during the remaining term of the contract. They shall agree regarding the condition of such areas, noting all damaged or worn areas. Another walk-through examination shall be performed at the end of the contract term. Contractor shall return such areas in their original condition, less consideration for normal wear and tear, and in those cases where unauthorized alterations and repairs have occurred, Contractor shall also perform the necessary maintenance to return such areas back to their original condition.

Patients requiring services beyond the scope of contractor services shall be referred to County hospital dental services. However, Contractor shall be required to record such referral in the patients' dental chart.

C. Service Limitations: To provide an equitable distribution of prosthetic units, it may be necessary to defer some prosthetic services to a later date. The volume of prosthetic dentistry during a twelve (12) month period should average no less than twenty (20) prosthetic units per month. For this purpose, a prosthetic unit is a removable full or partial denture, a cast crown, or pontic. For example, a three unit fixed bridge is considered three prosthetic units. A non-cast partial denture that replaces no more than two (2) teeth is considered a half unit. Priorities for prosthetic services are included in CHC Dental Services Policy and Procedures Manual.

D. Dental Services Same Day Service Policy: To insure that all dental emergency patients are initially screened for the purposes of providing proper treatment, all patients who present themselves to the dental clinic between 7:30 a.m. - 12:30 p.m. will be evaluated by a licensed dentist. All patients diagnosed with conditions requiring same-day-services as determined by a licensed dentist will be treated that same workday unless the patient requires a

Patients presenting themselves to the dental clinic as emergency patients who are actually seeking non-emergency elective procedures may be scheduled for a future appointment after screening.

D. After the end of each calendar month, Contractor shall present its bill consisting of the Basic Monthly Charge for such calendar month. If the Agreement terminates on a date other than the last day of a calendar month, then the Basic Monthly Charge shall be prorated and the resultant reduced amount shall be billed. PERFORMANCE REQUIREMENTS SUMMARYA. Introduction

The Contractor is expected to perform all services described in the RFP. This Exhibit describes certain required services which will be monitored by the County during the term of the contract, and for which the Contractor may be assessed financial deductions (Unsatisfactory Performance Deductions) from the Basic Monthly Charge if the service has not been satisfactorily provided. The charts at the end of this Exhibit indicate each such service, the service indicators, the service standards, the maximum allowable deviations from perfect performance or the Acceptable Quality Level (AQL) before Unsatisfactory Performance Deductions shall be applied, the County's method of monitoring, and the Unsatisfactory Performance Deductions which shall be made from the Basic Monthly Charge if the County determines, in its sole discretion, that the particular service has not been satisfactorily provided. The County expects a high standard of Contractor performance under the contract and shall monitor a broad range of services specified in the contract beyond those listed in this Exhibit. DHS will make every effort to work with the Contractor to resolve any areas of difficulty. However, it is the Contractor's responsibility to satisfactorily provide all the services in Exhibit A (Performance Work Statement), some of which are summarized in the Exhibit.

B. Performance Requirements Summary Charts

The Performance Requirements Summary Charts at the end of this Exhibit:

- o List some of the services considered important to acceptable contract performance (Column 1 of each chart).

- o Show some of the service indicators for each such service (Column 2).
- o Define the standard of performance for each such service (Column 3).
- o Show the maximum allowable degree of deviation from the Acceptable Quality Level (AQL) for each such service that is allowed before the County shall deduct from the Basic Monthly Charge (Column 4).
- o Show the principal quality assurance method(s) the County will use to monitor and evaluate the Contractor's performance in meeting the contract requirements for each such service, and the frequency of such monitoring (Column 5).
- o Show the dollar amount, or method of calculating the dollar amount, that shall be deducted from the Basic Monthly Charge if the County determines, in its sole discretion, that the service has not been satisfactorily performed (Column 6).

C. Quality Assurance

Contractor's performance shall be compared each calendar month to the performance standards and AQLs using the Quality Assurance Monitoring Plan (QAMP).

The County shall use a variety of methods to evaluate the Contractor's performance. The methods of monitoring that may be used are:

- o One hundred percent inspection (review) of maintenance records.
- o Complaints received by facility.
- o County Administrative and support staff complaints.
- o Random sampling of dental radiographs, records, referrals, reports and logs. An audit shall be performed by the Quality Assurance Evaluator

(QAE).

- o Patient survey and/or random patient interviews.
- o Other methods deemed by the Administrator to be appropriate for the evaluation of the Contractor's performance.

D. Criteria for Acceptable and Unacceptable Performance

Performance of a listed service is considered acceptable when the number of deficiencies found by the QAE during contract monitoring does not exceed the number of deficiencies allowed by the AQL for that service. When the performance is unacceptable, the Contractor shall complete a Contract Discrepancy Report (CDR). The CDR requires the Contractor to explain in writing why performance was unacceptable, how performance will be returned to an acceptable level, and how recurrence of the problem will be prevented. Unacceptable service performance shall result in Unsatisfactory Performance Deductions as described in Section E below.

Notwithstanding a finding of unsatisfactory service performance and imposition of Unsatisfactory Performance Deductions, the Contractor must, as soon as possible, remedy any and all deficiencies in the provision of services, and, as deemed possible or feasible by the Director perform such services again at an acceptable level.

E. Unsatisfactory Performance Deductions

If the service performance variance exceeds the AQL, the County shall assess Unsatisfactory Performance Deductions in the amount of Fifty Dollars (\$50) for each point over and above the maximum allowable of ten cumulated points per calendar month for all services shown on the Charts at the end of this Exhibit, provided that all determinations to levy such amounts shall be subject to the approval of the CEO. The

CEO shall evaluate the Contractor's explanation on the CDR, and if the Director determines, in his sole discretion, that the particular defective performance for the particular service was caused by County's failure to fulfill contractual obligations, accident, strike, or similar occurrence beyond the control and without the fault or negligence of the Contractor, then the Director may decline to count such point(s) as defective performance for such month. A point system shall be used to determine the amount of Unsatisfactory Performance Deductions to be assessed when the performance variance exceeds the AQL. Points for all services on the Charts will accumulate each calendar month. A maximum of ten (10) points shall be allowed to accumulate per calendar month before a deduction can be made from the Basic Monthly Charge. For example, if the cumulative point total for all required services for a particular month is seven (7), no assessment for Unsatisfactory Performance Deductions shall be made because seven is within the maximum allowable points per month. However, if the total cumulative points for the month is thirty (30), the assessed Unsatisfactory Performance Deductions would be One Thousand Dollars \$1,000.00 (i.e., 20 points x \$50.00).

2.201.010 Findings

The Board of Supervisors finds that the County of Los Angeles is the principal provider of social and health services within the County, especially to persons who are compelled to turn to the County for such services. Employers' failure to pay less than a living wage to their employees causes them to use services thereby placing an additional burden on the County of Los Angeles. (009-0048 ' 1 (part), 1999).

2.201.020 Definitions

The general definitions contained in Chapter 2.02 shall be applicable to this chapter unless inconsistent with the following definitions.

A. "County" includes the County of Los Angeles, any County officer or body, any County Department head, and any County employee authorized to enter into a Proposition A contract or a cafeteria services contract with an employer.

B. "Employee" means any individual who is an employee of an employer under the laws of California, and who is providing full time services to an employer, some or all of which are provided to the County of Los Angeles under a Proposition A contract, or under a cafeteria services contract at a County of Los Angeles owned or leased facility.

C. "Employer" means:

1. An individual or entity who has a contract with the County.
 - a. For services which is required to be more economical or feasible under Section 44.7 of the Charter of the County of Los Angeles, and is not listed as an excluded contract in Section 2.121.250 B of the Los Angeles County Code, referred to in this chapter as a "Proposition A contract," or
 - b. For cafeteria services, referred to in this chapter as a "cafeteria services contract", and
 - c. Who has received or will receive an aggregate sum of \$25,000.00 or more in any 12 month period under one or more Proposition A contracts and/or one or more cafeteria services contracts; or

2. An individual or entity that enters into a subcontract with an employer, as defined in subsection C1 and who employs employees to provide services under the employer's contract with the County.

D. "Full Time" means a minimum 40 hours worked per week, or a lesser number of hours if the lesser number is a recognized industry standard and is approved as such by the Chief Executive Officer, but in no event less than 35 hours worked per week. (Ord. 99-0048 ' 1 (part), 1999.)

E. "Proposition A contract" means a contract governed by Title 2, Section 2.121.250 et.seq. of this code, entitled Contracting with Private Business.

2.201.030 Prospective Effect

This chapter shall be applicable to Proposition A contracts and cafeteria services contracts and their amendments the terms of which commence three months or more after the effective date of this chapter. *It shall not be applicable to Proposition A contracts or cafeteria services contracts or their amendments in effect before this chapter becomes applicable. (Ord. 99-0048 ' 1 (part), 1999.)

***Editor's note:** Effective three months after the effective date of the Ordinance approval.

2.201.040 Payment of Living Wage

A. Employers shall pay employees a living rate for their services provided to the County of no less than the hourly rates set under this chapter. The rates shall be \$9.64 per hour with health benefits, or \$11.84 per hour without health benefits.

B. Proof of the provision of such benefits must be submitted to the County for evaluation during the procurement process to qualify for the lower living wage rate in subsection A of this section. Employers who provide health care benefits to employees through the County Department of Health Services Community Health Plan are deemed to have qualified for the lower living wage rate in subsection A of this section.

C. The Board of Supervisors may, from time to time, adjust the amounts specified in subsection A and B of this section, above for future contracts. Any adjustments to the living wage rate specified in subsections A and B that are adopted by the Board of Supervisors shall be applicable to Proposition A contracts and cafeteria services contracts and their amendments which become effective three months or more after the effective date of the ordinance that adjusts the living wage rate.

2.201.050 Other Provisions

A. Full Time Employees. An employer shall assign and use full time employees to provide services under a Proposition A contract or a cafeteria services contract, unless the employer can demonstrate to the County the necessity to use non-full time employees based on staffing efficiency or the County requirements of an individual job.

B. Neutrality in Labor Relations. An employer shall not use any consideration received under a Proposition A contract or a cafeteria services contract to hinder, or to further, organization of, or collective bargaining activities by or on behalf of an

employer's employees, except that this restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining agreement, or which would otherwise be permitted under the provisions of the National Labor Relations Act.

E. Contractor Standards. An employer shall demonstrate during the procurement process and for the duration of a Proposition A contract or a cafeteria services contract a history of business stability, integrity in employee relations, and the financial ability to

pay a living wage (Ord. 99-0048 ' 1 (part), 1999).

2.201.080 Enforcement and Remedies

IRS NOTICE 1015

(Obtain latest version from IRS website -
<http://ftp.fedworld.gov/pub/irs-pdf/n1015.pdf>)

Department of the Treasury
 Internal Revenue Service
Notice 1015
 (Rev. October 2001)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What Is the EIC?

The EIC is a refundable tax credit for certain workers.

A change to note. Workers **cannot** claim the EIC if their 2001 investment income (such as interest and dividends) is over \$2,450.

Which Employees Must I Notify About the EIC? You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on **Form W-4**, Employee's Withholding Allowance Certificate.

Note: *You are encouraged to notify each employee whose wages for 2001 are less than \$32,121 that he or she may be eligible for the EIC.*

How and When Must I Notify My Employees? You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2002.

You must hand the notice directly to the employee or send it by First-Class Mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice by calling 1-800-829-3676. You can also get the notice from the IRS Web Site at www.irs.gov.

How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see the 2001 instructions for Form 1040, 1040A, 1040EZ, or Pub. 596, Earned Income Credit.

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2001 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2001 and owes no tax but is eligible for a credit of \$791, he or she must file a 2001 tax return to get the \$791 refund.

How Do My Employees Get Advance EIC Payments?

Eligible employees who expect to have a qualifying child for 2001 can get part of the credit with their pay during the year by giving you a completed Form W-5, Earned Income Credit Advance Payment Certificate. You must include advance EIC payments with wages paid to these employees, but the payments are not wages and are not subject to payroll taxes. Generally, the payments are made from withheld income, social security, and Medicare taxes. For details, see Pub. 15, Employer's Tax Guide.

**BUSINESS ASSOCIATE
PROTECTED HEALTH INFORMATION DISCLOSURE AGREEMENT**

Under this Agreement, Contractor ("Business Associate") provides services ("Services") to County ("Covered Entity") and Business Associate receives, has access to or creates Protected Health Information in order to provide those Services. Covered Entity is subject to the Administrative Simplification requirements of the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), and regulations promulgated thereunder, including the Standards for Privacy of Individually Identifiable Health Information ("Privacy Regulations") and the Health Insurance Reform: Security Standards ("the Security Regulations") at 45 Code of Federal Regulations Parts 160 and 164 ("together, the "Privacy and Security Regulations").

The Privacy and Security Regulations require Covered Entity to enter into a contract with Business Associate in order to mandate certain protections for the privacy and security of Protected Health Information, and those Regulations prohibit the disclosure to or use of Protected Health Information by Business Associate if such a contract is not in place;

Therefore, the parties agree as follows:

DEFINITIONS

1.1 "Disclose" and "Disclosure" mean, with respect to Protected Health Information, the release, transfer, provision of access to, or divulging in any other manner of Protected Health Information outside Business Associate's internal operations or to other than its employees.

1.2 "Electronic Media" has the same meaning as the term "electronic media" in 45C.F.R. § 160.103. Electronic Media means (1) Electronic storage media including memory devices in computers (hard drives) and any removable/transportable digital memory medium, such as magnetic tape or disk, optical disk, or digital memory card; or (2) Transmission media used to exchange information already in electronic storage media. Transmission media include, for example, the internet (wide-open), extranet (using internet technology to link a business with information accessible only to collaborating parties), leased lines, dial-up lines, private networks, and the physical movement of removable/transportable electronic storage media. Certain transmissions, including of paper, via facsimile, and of voice, via telephone, are not considered to be transmissions via electronic media, because the information being exchanged did not exist in electronic form before the transmission. The term "Electronic Media" draws no distinction between internal and external data, at rest (that is, in storage) as well as during transmission.

1.3 "Electronic Protected Health Information" has the same meaning as the term "electronic protected health information" in 45 C.F.R. § 160.103. Electronic Protected Health Information means Protected Health Information that is (i) transmitted by electronic media; (ii) maintained in electronic media.

1.4 "Individual" means the person who is the subject of Protected Health Information and shall include a person who qualifies as a personal representative in accordance with 45 C.F.R. § 164.502(g).

1.5 "Protected Health Information" has the same meaning as the term "protected health information" in 45 C.F.R. § 164.501, limited to the information created or received by Business Associate from or on behalf of Covered Entity. Protected Health Information includes information that (i) relates to the past, present or future physical or mental health or condition of an Individual; the provision of health care to an Individual, or the past, present or future payment for the provision of health care to an Individual; (ii) identifies the Individual (or for which there is a reasonable basis for believing that the information can be used to identify the Individual); and (iii) is received by Business Associate from or on behalf of Covered Entity, or is created by Business Associate, or is made accessible to Business Associate by Covered Entity. "Protected Health Information" includes Electronic Health Information.

1.6 "Required By Law" means a mandate contained in law that compels an entity to make a Use or Disclosure of Protected Health Information and that is enforceable in a court of law. Required by law includes, but is not limited to, court orders and court-ordered warrants; subpoenas or summons issued by a court, grand jury, a governmental or tribal inspector general, or any administrative body authorized to require the production of information; a civil or an authorized investigative demand; Medicare conditions of participation with respect to health care providers participating in the program; and statutes or regulations that require the production of information, including statutes or regulations that require such information if payment is sought under a government program providing benefits.

(a) Except as provided in paragraph (b) of this section, upon termination for any reason or expiration of this Agreement, Business Associate shall return or destroy all Protected Health Information received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity. This provision shall apply to Protected Health Information that is in the possession of

subcontractors or agents of Business Associate. Business Associate shall retain no copies of the Protected Health Information.

(b) In the event that Business Associate determines that returning or destroying the Protected Health Information is infeasible, Business Associate shall provide to Covered Entity notification of the conditions that make infeasible. If return or destruction is infeasible, Business Associate shall extend the protections of this Agreement to such Protected Health Information and limit further Uses and Disclosures of such Protected Health Information to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such Protected Health Information.

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-640-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Sin pena. Sin culpa. Sin peligro.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaleta y el padre/madre recibirá un brazaleta igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de redamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardino Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

Cada recién nacido merece una oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele qué otras opciones tiene.

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.

WHEREAS, Contractor is duly licensed and certified under the laws of the State of California to engage in the business of providing non-hospital based dental services as described hereunder and possesses the competence, expertise, and personnel

required to provide such services; and

WHEREAS, in response to County's RFP for such services, Contractor has submitted its proposal to County and desires to provide such services; and

WHEREAS, based on competitive negotiation, DHS has selected Contractor for recommendation to County's Board of Supervisors to provide such services; and

WHEREAS, this Agreement is authorized by California Government Code Sections 23004, 26227, and 31000 and California Health and Safety Code Sections 1441, 1445, and 1451.

B. Contractor may terminate this Agreement by giving at least sixty (60) days prior written notice to County in the event County materially fails to discharge its obligations hereunder. Contractor's failure to exercise this right of termination shall not constitute a waiver of such right which may be exercised in the event of any subsequent breach. Termination provisions for County are found in Paragraphs 5 (County's Obligation for Future Fiscal Years), 8 (Indemnification and Insurance), 9 (Contractor Performance During Civil Unrest or Disaster), 13 (Nondiscrimination in Employment and Affirmative Action), 17 (Covenant Against Contingent Fees), 20 (Records and Audits), 27 (Termination for Insolvency), 28 (Termination For Default), 35 (Termination for Gratuities), 36 (Termination for Improper Consideration), 37 (Termination for Convenience), 56

Unless otherwise specified, in the event that this Agreement is terminated as provided hereunder, the submittal of the termination claim and invoice, the negotiation of a final termination settlement, and the retention of records, shall be the same as if the notice of termination had been issued by County terminating all services hereunder pursuant to Paragraph 37 (Termination for Convenience) below.

C. The term of this Agreement may be extended by Director beyond the stated expiration date on a month-to-month basis, for a period of time not to exceed six (6) months, upon the mutual agreement of the both parties. All provisions of the Agreement in effect on the date the term commences shall remain in effect for the duration of the extension. Compensation for work performed during the extension period shall be prorated on a monthly basis where applicable, and on a daily basis for time periods of less than a month.

If Director and Contractor mutually fail to agree to extend the Agreement on a month-to-month basis as of the expiration date set forth in Paragraph 1.A above, then the Agreement shall expire on said date.

D. In the event of the expiration or prior termination of the term of this Agreement, Contractor shall fully cooperate with County to provide for the transition to whatever service replacement method County determines to be in its best interest.

2. DESCRIPTION OF SERVICES:

A. Contractor shall provide dental services for the CHC in the manner and form as described in the body of this Agreement and in Exhibit A.1 and Exhibit A.2, attached hereto and incorporated herein by reference.

B. All policies, procedures, and standards are provided by the CHC. The

If the increase exceeds ten percent (10%) of the County maximum obligation, approval by County's Board of Supervisors shall be required. Any such change in any County maximum obligation shall be effected by an amendment to this Agreement pursuant to the ALTERATION OF TERMS paragraph of this Agreement.

Upon mutual agreement of County and Contractor, this Agreement may be extended up to six months beginning November 1, 2012 through April 30, 2013. 5. COUNTY'S OBLIGATION FOR FUTURE FISCAL YEARS:
Notwithstanding any other provision of this Agreement, County shall not be obligated for Contractor's performance hereunder or by any provision of this Agreement during any of County's future fiscal years unless and until County's Board of Supervisors appropriates funds for this Agreement in County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last County fiscal year for which funds were appropriated. If the Agreement is terminated due to non-appropriation of funds by

County, County shall be obligated for Contractor's performance pursuant to the provision of Paragraph 4 "Billing and Payment" up to the date termination as noticed in writing by the County. County shall notify Contractor in writing of such non-allocation of funds within five (5) working days of final decision by the Board on non-appropriation of funds.

6. ADMINISTRATION: Director of DHS, or his duly authorized designee (hereafter collectively referred to as "Director"), shall have the authority to administer this Agreement on behalf of County. Director retains professional and administrative responsibility for the services rendered under this Agreement. This general responsibility, however, does not relieve Contractor from its specific duties stated elsewhere under Agreement, including, but not limited to, the obligations (1) to perform its professional services according to customary quality of care standards in the community and under Agreement, and (2) to defend the County and other named agencies and individuals for claims, and to indemnify them for any resultant damages, based upon Contractor's failure or alleged failure to satisfy such quality of care standards. Contractor shall designate in writing a person who shall have the authority to administer this Agreement on behalf of Contractor. The term "Administrator", as used in this Agreement, means Health Facility Administrator or his duly authorized designee.

7. INDEPENDENT CONTRACTOR STATUS:

A. This Agreement is by and between County and Contractor and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between County and Contractor. The employees and agents of one party shall not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.

B. Contractor shall be solely liable and responsible for providing to, or on behalf of, all persons performing services pursuant to this Contract all compensation and benefits. County shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of Contractor.

C. Contractor understands and agrees that all persons performing services pursuant to this Agreement are, for purposes of Workers' Compensation liability, the sole employees of Contractor and not employees of County. Contractor shall be the solely liable and responsible for furnishing any and all Workers' Compensation benefits to any person as a result of any injuries arising from or connected with services performed by or on behalf of Contractor pursuant to this Agreement.

B. General Insurance Requirements: Without limiting Contractor's indemnification of County, and during the term of this Agreement, Contractor shall provide and maintain, and shall require all of its subcontractors to maintain, the following programs of insurance specified in this Agreement. Such insurance

shall be primary to and not contributing with any other insurance or self-insurance programs maintained by County, and such coverage shall be provided and maintained at Contractor's own expense.

1. Evidence of Insurance: Certificate(s) or other evidence of coverage satisfactory to County shall be delivered to Department Contract Administrator Name and Address prior to commencing services under this Agreement. Such certificates or other evidence shall:

County retains the right to require Contractor to reduce or eliminate such deductibles or self-insured retentions as they apply to County, or, require Contractor to provide a bond guaranteeing payment of all such retained losses and related costs, including, but not limited to, expenses or fees, or both, related to investigations, claims administrations, and legal defense. Such bond shall be executed by a corporated surety licensed to

transact business in the State of California.

2. Insurer Financial Ratings: Insurance is to be provided by an insurance company acceptable to County with an A.M. Best rating of not less than A:VII, unless otherwise approved by County.

3. Failure to Maintain Coverage: Failure by Contractor to maintain the required insurance, or to provide evidence of insurance coverage acceptable to County, shall constitute a material breach of contract upon which County may immediately terminate or suspend this Agreement. County, at its sole option, may obtain damages from Contractor resulting from said breach. Alternatively, County may purchase such required insurance coverage, and without further notice to Contractor, County may deduct from sums due to Contractor any premium costs advanced by County for such insurance.

4. Notification of Incidents, Claims or Suits: Contractor shall report to County:

(a) any accident or incident relating to services performed under this Agreement which involves injury or property damage which may result in the filing of a claim or lawsuit against Contractor and/or County. Such report shall be made in writing within 24 hours of occurrence.

(b) any third party claim or lawsuit filed against Contractor arising from or related to services performed by Contractor under this Agreement.

5. Compensation for County Costs: In the event that Contractor fails to comply with any of the indemnification or insurance requirements of this Agreement, and such failure to comply results in any results to County, Contractor shall pay full compensation for all costs incurred by County.

6. Insurance Coverage Requirements for Subcontractors: Contractor shall ensure any and all subcontractors performing services under this Agreement meet the insurance requirements of this Agreement by either:

(a) Contractor providing evidence of insurance covering the activities of subcontractors, or

(b) Contractor providing evidence submitted by subcontractors evidencing that subcontractors maintain the required insurance coverage. County retains the right to obtain copies of evidence of subcontractor insurance coverage at any time.

7. Insurance Coverage Requirements:

Such CD or LOC shall comply with minimum criteria and standards established by the County and be maintained throughout the term of the Agreement.

9. CONTRACTOR PERFORMANCE DURING CIVIL UNREST OR DISASTER: Contractor recognizes that health care facilities maintained by County provide care essential to the residents of the communities they serve, and that these services are of particular importance at the time of a riot, insurrection, civil unrest, natural disaster or similar event. Notwithstanding any other provision of this Agreement, full performance by Contractor during any riot, insurrection, civil unrest, natural disaster or similar event is not excused if such performance remains physically

possible, as determined by County. Failure to comply with this requirement shall be considered a material breach of this Agreement by Contractor for which County may immediately terminate this Agreement.

10. LIQUIDATED DAMAGES: All time limits and required acts of Contractor are of the essence for this Agreement. Should Contractor fail to perform or complete the services required to be done within seven (7) days after written notice is provided pursuant to Paragraph 28 (Termination for Default) below, it is mutually understood and agreed that damages will occur and that such damages will be impracticable or extremely difficult to fix as to the extent of actual damages resulting from the failure of Contractor to correct a deficiency within such time frame. A reasonable estimate by the parties of such damage is Two Hundred Dollars (\$200) per day for each day exceeding such seven (7) days. Therefore, the parties agree that Contractor shall be liable to County for liquidated damages, and not as a penalty, in the amount of Two Hundred Dollars (\$200) per day for each day exceeding such seven (7) days.

Additionally, and notwithstanding the above provision, should Contractor fail to correct deficiencies within such seven (7) days, Administrator may, upon giving five (5) days notice to Contractor, correct any and all deficiencies. All costs incurred by County, as determined by County, to perform such services by an alternate source, whether with County employees or another Contractor, shall be deducted and forfeited from any amounts due to Contractor from County. Such deductions as well as any deductions pursuant to Exhibit A (Performance Work Statement For Dental Services) and Paragraph 4 (Billing and Payment) of Sample Agreement, shall not be construed as a penalty but as adjustment of payment to Contractor for only the services actually performed, and the recovery of County cost and damages from the failure of Contractor to perform or otherwise comply with the provisions of this Agreement.

11. PERFORMANCE STANDARDS: It is mutually understood and agreed

that Contractor's failure to provide timely dental services and HIV/AIDS dental services, to comply with assessment and evaluation plans, to comply with training requirement as described in Exhibit A, or to comply with certain other contract requirements as specified in the Performance Requirements Summary, attached hereto as Exhibit C and incorporated herein by reference, may create damages to County's patients, County's staff, and others and that such damages, from the nature of the case, will be extremely difficult to measure and impractical to fix. Therefore, County and Contractor hereby agree to fix the amounts of such damages in advance as set forth in the Performance Requirements Summary.

The reasonable and necessary cost of investigation by Administrator, as determined by County, of any such failure of performance by Contractor may also be assessed against Contractor as provided in this Paragraph in addition to such amounts provided that failure of Contractor's performance arises out of circumstances under Contractor's control.

All determinations to levy such amounts for damages shall be subject to approval by Administrator. Administrator may decline to levy such amounts for damages if Administrator determines that the particular violation was caused by a strike or accident or similar occurrence beyond the control and without the fault or negligence of Contractor.

12. NONDISCRIMINATION IN SERVICES: Contractor shall not discriminate in the provision of services hereunder because of race, color, religion, national origin, ancestry, sex, age or physical or mental handicap, in accordance with all applicable requirements of Federal and State law. For the purpose of this Paragraph, discrimination in the provision of services may include, but is not limited to, the following: denying any person any service or benefit or the availability of a facility; providing any service or benefit to any person which is not equivalent, or is not provided

in an equivalent manner or at an non-equivalent time, from that provided to others; subjecting any person to segregation or separate treatment in any manner related to the receipt of any service other than precautions dictated by infectious control procedures; restricting any person in any way in the enjoyment of any advantage or privilege enjoyed by others receiving any service or benefit; and treating any person differently from others in determining admission, enrollment quota, eligibility, membership, or any other requirements or conditions which persons must meet in order to be provided any service or benefit. Contractor shall ensure that recipient of services under this Agreement are provided services without regard to race, color, religion, national origin, ancestry, sex, age, or physical or mental handicap.

13. NONDISCRIMINATION IN EMPLOYMENT AND AFFIRMATIVE ACTION:

A. Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies, are and will be treated equally by it without regard to or because of race, color, religion, ancestry, national origin, sex, age, or physical or mental handicap, in compliance with all applicable Federal and State anti-discrimination laws and regulations.

B. Contractor shall take affirmative action to ensure that qualified applicants are employed, and that employees are treated during employment without regard to race, color, religion, national origin, ancestry, sex, age, or physical or mental handicap, in compliance with all applicable Federal and State anti-discrimination laws and regulations. Such action shall include, but is not limited to, the following: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

C. Contractor shall deal with its subcontractors, bidders, or vendors without regard to or because of race, color, religion, ancestry, national origin,

sex, age, or physical or mental handicap.

D. Contractor shall allow County representatives access to its employment records during regular business hours to verify compliance with the provisions of this Paragraph when so requested by Director.

E. If County finds that any of the above provisions have been violated, the same shall constitute a material breach of this Agreement upon which County may determine to cancel, terminate, or suspend this Agreement. While County reserves the right to determine independently that the anti-discrimination provisions of this Agreement have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that Contractor has violated State or Federal anti-discrimination laws or regulations shall constitute a finding by County that Contractor has violated the anti-discrimination provisions of this Agreement.

F. The parties agree that in the event that Contractor violates the anti-discrimination provisions of this Agreement, County shall, at its option, be entitled to a sum of Five Hundred Dollars (\$500) pursuant to California Civil Code Section 1671 as liquidated damages in lieu of canceling, terminating, or suspending this Agreement.

14. CONFIDENTIALITY: Contractor shall maintain the confidentiality of all records, including, but not limited to, County records, and patient records, in accordance with all applicable Federal, State and local laws, regulations, ordinances, rules, directives, and The Joint Commission accreditation standards, relating to confidentiality. Contractor shall inform all of its officers, employees, and agents providing services hereunder of the confidentiality provisions of this Agreement. The Contractor shall sign and adhere to the provisions of the "Contractor Acknowledgement

and Confidentiality Agreement”, Exhibit E.

15. UNLAWFUL SOLICITATION: Contractor shall inform all of its employees performing services hereunder of the provisions of Article 9 of Chapter 4 of Division 3 (commencing with Section 6150) of California Business and Professions Code (i.e., State Bar Act provisions regarding unlawful solicitation as a runner or capper for attorneys) and shall take positive and affirmative steps in its performance hereunder to ensure that there is no violation of such provisions by its employees. Contractor shall utilize the attorney referral service of all those bar associations within Los Angeles County that have such a service.

16. CONFLICT OF INTEREST: No County employee whose position in County enables such employee to influence the award or administration of this Agreement or any competing agreement, and no spouse or economic dependent of such employee shall be employed in any capacity by Contractor, or have any other direct or indirect financial interest in this Agreement. No officer or employee of Contractor who may financially benefit from the provision of services hereunder shall in any way participate in the County's approval, or ongoing evaluation, of such services, or in any way attempt to unlawfully influence County's approval or ongoing evaluation of such services.

Contractor shall comply with all conflict of interest laws, ordinances and regulations now in effect or hereafter to be enacted during the term of this Agreement. Contractor warrants that it is not now aware of any facts which create a conflict of interest. If Contractor hereafter becomes aware of any facts which might reasonably be expected to create conflict of interest, it shall immediately make full written disclosure of such facts to County. Full written disclosure shall include, without limitation, identification of all persons implicated and complete description of all relevant circumstances.

17. COVENANT AGAINST CONTINGENT FEES:

A. Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Agreement upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by Contractor for the purpose of securing business.

B. For breach or violation of this warranty, County shall have the right to terminate this Agreement and, in its sole discretion, to deduct from the Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.

18. FEDERAL ACCESS TO RECORDS: If, and to the extent that, Section 1861(v)(1)(I) of the Social Security Act (42 U.S.C. Section 1395x(v)(1)(I)) is applicable, Contractor agrees that for a period of four (4) years following the furnishing of services under this Agreement, Contractor shall maintain and make available, upon written request, to the Secretary of the United States Department of Health and Human Services or the Controller General of the United States, or to any of their authorized representatives, the contracts, books, documents and records of Contractor which are necessary to verify the nature and extent of the costs of services provided hereunder. Furthermore, if Contractor carries out any of the services provided hereunder through any subcontract with a value or cost of Ten Thousand Dollars (\$10,000) or more over a twelve (12) month period with a related organization (as that term is defined under Federal law), Contractor agrees that each such subcontract shall provide for such access to the subcontract, books, documents and records of the subcontractor.

19. COUNTY AUDIT SETTLEMENTS: If, at any time during the term of this Agreement or at any time after the expiration or prior termination of this Agreement, representatives of County conduct an audit of Contractor regarding the services

provided to County hereunder and if such audit finds that County's dollar liability for such services is less than the payments made by County to Contractor, then the difference shall be: (1) repaid by Contractor to County by cash payment upon demand and/or (2) at Director's sole discretion, deducted from any amounts due County to Contractor whether under this Agreement or otherwise. If such audit finds that County's dollar liability for services provided hereunder is more than the payments made by County to Contractor, then the difference shall be paid to Contractor by County by cash payment, provided that in no event shall County's total payment obligation for services hereunder be exceeded.

20. RECORDS AND AUDITS:

A. Contractor shall maintain accurate and complete financial records of its activities and operations as relating to this Contract in accordance with generally accepted accounting principles. Contractor shall also maintain accurate and complete employment and other records relating to its performance of this Contract. Contractor agrees that the County, or its authorized representatives, shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Contract. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information shall be kept and maintained by Contractor and shall be made available to the County during the term of this Contract and for a period of five (5) years thereafter, unless County's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County's

option, Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

B. In the event that an audit is conducted of Contractor specifically regarding this Agreement by any Federal or State auditor, or any auditor or accountant employed by Contractor or otherwise, Contractor shall file a copy of each such audit report with County's Auditor-Controller within thirty (30) days of Contractor's receipt thereof, unless otherwise provided under this Agreement or applicable Federal or State law. Subject to applicable law County shall make a reasonable effort to maintain the confidentiality of such audit report(s).

C. Failure on the part of Contractor to comply with the provisions of this Paragraph shall constitute a material breach of this Agreement upon which County may terminate or suspend this Agreement.

D. If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the County conduct an audit of the Contractor regarding the work performed under this Contract, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Contractor, then the difference shall be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of County Auditor-Controller, deducted from any amounts due to the Contractor from County, whether under this Contract or otherwise. If such audit finds that County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County by cash payment, provided that in no event shall the County's maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this

Contract.

E. In addition to the above, the Contractor agrees, should the County or its authorized representatives determine, in the County's sole discretion, that it is necessary or appropriate to review a broader scope of the Contractor's records (including certain records related to non-County contracts) to enable the County to evaluate the Contractor's compliance with County's Program, that Contractor shall promptly and without delay provide to County, upon written request of County or its authorized representatives, access to and the right to examine, audit, excerpt, copy, or transcribe any and all transactions, activities, or records relating to work performed by said employees on the Contractor's non-County contracts. Contractor further acknowledges that the foregoing requirement in this subparagraph relative to Contractor's employees who have provided services to the County under this Contract is for the purpose of enabling the County in its discretion to verify Contractor's full compliance with and adherence to California labor laws and the County's Program. All such materials and information, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by Contractor and shall be made available to County during the term of this Contract and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such materials and information prior to such time. All such materials and information shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such materials and information is located outside Los Angeles County, then, at the County's option, Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine,

audit, excerpt, copy, or transcribe such materials and information at such other location.

21. REPORTS: Contractor shall make reports in format as required by Director concerning Contractor's activities and operations as they relate to this Agreement. Required reports include, but are not limited to, the following:

- C. All other reports as required by Administrator.

22. PROHIBITION AGAINST ASSIGNMENT AND DELEGATION: Contractor shall not have any right to, and shall not, assign its rights or delegate its duties under this Agreement, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this Paragraph, such County consent shall require a written amendment to this Agreement which is formally approved and executed by the parties. Any payments by County to any approved delegate or assignee on any claim under this Agreement, in consequence of any such County consent, shall reduce dollar for dollar any claims which Contractor may have against County and shall be subject to set-off, recoupment, or other reduction for any claims which County may have against Contractor, whether under this Agreement or otherwise.

Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling

interest therein at the time of execution of the Agreement, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Agreement.

Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any entity, other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be material breach of the Agreement which may result in the termination of the Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

23. RULES AND REGULATIONS: During the time that Contractor's employees are at the CHC, such persons shall be subject to the rules and regulations of the CHC. Copies of all policies, procedures, rules, and regulations of the CHC will be made available to Contractor by the CHC.

It is the responsibility of Contractor to acquaint such persons who are to provide services hereunder with such rules and regulations. Contractor shall take immediate corrective action upon receipt of written and/or verbal notice from Administrator that: (1) any such employee has violated such rules and regulations, or (2) such employee's actions, while on County premises, indicate that such employee may adversely affect the delivery of health care services. In the event that Administrator decides that the corrective action taken by Contractor is not sufficient, then: (1) Contractor shall remove or suspend such employee from the provision of services hereunder or take such other action as requested by Administrator, and (2) if Contractor reasonably disagrees with the action requested by Administrator, upon demand by Contractor, County shall immediately indemnify Contractor for any liability and costs, including reasonable

attorneys' fees, incurred by Contractor in connection with its defense of any legal action or any administrative proceeding arising from such removal or suspension heard before an appropriate administrative agency or filed in a competent court by any such affected employee.

24. LICENSES, PERMITS, REGISTRATIONS, AND CERTIFICATES:

Contractor shall obtain and maintain in effect during the term of this Agreement, all licenses, permits, registrations, and certificates required by law which are applicable to its performance of this Agreement, and shall ensure that all its officers, employees, and agents, who perform services hereunder obtain and maintain in effect during the term of this Agreement, all licenses, permits, registrations, and certificates required by law which are applicable to their performance of services hereunder.

25. COMPLIANCE WITH APPLICABLE LAW:

A. Contractor shall comply with all Federal, State, and local laws, ordinances, regulations, rules, and directives applicable to its performance hereunder. Further, all provisions required thereby to be included in this Agreement are hereby incorporated herein by reference.

B. Contractor shall indemnify and hold harmless County from and against any and all loss, damage, liability or expense resulting from any violation on the part of Contractor, its officers, employees, or agents, of such Federal, State or local laws, ordinances, regulations, rules, or directives.

26. FORM OF BUSINESS ORGANIZATION: Contractor shall prepare and submit to DHS, within ten days following the execution of this Agreement, an affidavit, sworn to and executed by Contractor's duly constituted officers, containing the following information:

A. The form of Contractor's business organization, i.e., proprietorship, partnership, or corporation.

B. A detailed statement indicating whether Contractor is totally or substantially owned by another business organization.

C. A detailed statement indicating whether Contractor totally or partially owns any other business organization that will be providing services, supplies, materials, or equipment to Contractor or in any manner does business with Contractor under this Agreement.

27. TERMINATION FOR INSOLVENCY:

A. County may cancel forthwith this Agreement for default in the event of the occurrence of any of the following:

(1) Insolvency of Contractor. Contractor shall be deemed to be insolvent if it has ceased to pay its debts in the ordinary course of business or cannot pay its debts as they become due, whether it has committed an act of bankruptcy or not, and whether insolvent within the meaning of the Federal Bankruptcy Code or not.

(2) The filing of a voluntary or involuntary petition under the Federal Bankruptcy Code;

(3) The appointment of a receiver or trustee for Contractor; or

(4) The execution by Contractor of an assignment for the benefit of creditors.

B. The rights and remedies of County provided in this Paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

28. TERMINATION FOR DEFAULT:

A. County may, subject to the provisions of Subparagraph C below, by written notice of default to Contractor, terminate this Agreement in any one of the following circumstances:

(1) If Contractor fails to perform the services within the time specified herein or any extension thereof; or

(2) If Contractor fails to perform any of the other provisions of this Agreement, or so fails to make progress as to endanger performance of this Agreement in accordance with its terms, and in either these two circumstances does not cure such failure within a period of ten (10) days (or such longer period as County may authorize in writing) after receipt of notice from County specifying such failure.

B. In the event County terminates this Agreement as provided in Subparagraph A above, County may procure, upon such terms and in such manner as County may deem appropriate, services similar to those so terminated, and Contractor shall be liable to County for any reasonable excess costs incurred by County, as determined by County, for such similar services, provided that Contractor shall continue the performance of this Agreement to the extent not terminated under the provisions of this Paragraph.

C. Except with respect to defaults of subcontractors, Contractor shall not be liable for any excess costs if the failure to perform this Agreement arises out of causes beyond the control and without the fault or negligence of Contractor. 1. Remedies For Submission of Late or Incomplete Certified Monitoring Reports: If Contractor submits a certified monitoring report to the County after the date it is due or if the report submitted does not contain all of the required information or is inaccurate or is not properly certified, any such deficiency shall constitute a breach of the Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:

a. Withholding of Payment. If Contractor fails to submit accurate, complete, timely and properly certified monitoring reports, the County may withhold from payment to Contractor up to the full amount of any invoice that would otherwise be due, until Contractor has satisfied the concerns of the County, which may include required submittal of revised certified monitoring reports or additional supporting documentation.

b. Liquidated Damages. It is mutually understood and agreed that Contractor's failure to submit an accurate, complete, timely and properly certified monitoring report will

result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for Contractor's breach. Therefore, in the event that a certified monitoring report is deficient, including but not limited to being late, inaccurate, incomplete or uncertified, it is agreed that the County may, in its sole discretion, assess against Contractor liquidated damages in the amount of \$100 per monitoring report for each day until the County has been provided with a properly prepared, complete and certified monitoring report. The County may deduct any assessed liquidated damages from any payments otherwise due Contractor.

c. Termination. Contractor's continued failure to submit accurate, complete, timely and properly certified monitoring reports may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract.

2. Remedies for Payment of Less Than the Required Living Wage: If Contractor fails to pay any Employee at least the applicable hourly living wage rate, such deficiency shall constitute a breach of the Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the

following right/remedies:

a. Withholding Payment. If Contractor fails to pay one or more of its Employees at least the applicable hourly living wage rate, the County may withhold from any payment otherwise due Contractor the aggregate difference between the living wage amounts Contractor was required to pay its Employees for a given period and the amount actually paid to the Employees for that pay period. The County may withhold said amount until Contractor has satisfied the County that any underpayment has been cured, which may include required submittal of revised certified monitoring reports or additional supporting documentation.

b. Liquidated Damages. It is mutually understood and agreed that Contractor's failure to pay any of its Employees at least the applicable hourly living wage rate will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for Contractor's breach. Therefore, it is agreed that the County may, in its sole discretion, assess against Contractor liquidated damages for \$50 per Employee per day for each and every instance of an underpayment to an Employee.

The County may deduct any assessed liquidated damages from any payments otherwise due Contractor.

c. Termination. Contractor's continued failure to pay any of its Employees the applicable hourly living wage rate may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract.

3. Debarment: In the event Contractor breaches a requirement of this Section, the County may, in its sole discretion, bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach, in accordance with Los Angeles County Code, Chapter 2.202, Determinations of Contractor Non-Responsibility and Contractor Debarment.

H. Use of Full-Time Employees: Contractor shall assign and use full-time employees of Contractor to provide services under the Contract unless Contractor can demonstrate to the satisfaction of the County that it is necessary to use non-full-time employees based on staffing efficiency or County requirements for the work to be performed under the Contract. It is understood and agreed that Contractor shall not, under any circumstance, use non-full-time employees for services provided under the Contract unless and until the County has provided written authorization for the use of same. Contractor submitted with its proposal a full-time-employee staffing plan. If Contractor changes its full-time-employee staffing plan, Contractor shall immediately provide a copy of the new staffing plan to the County.

I. Contractor Retaliation Prohibited Contractor and/or its

employees shall not take any adverse action which would result in the loss of any benefit of employment, any contract benefit, or any statutory benefit for any employee, person or entity who has reported a violation of the Program to the County or to any other public or private agency, entity or person. A violation of the provisions of this paragraph may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract.

J. Contractor Standards: During the term of the Contract, Contractor shall maintain business stability, integrity in employee relations and the financial ability to pay a living wage to its employees. If requested to do so by the County, Contractor shall demonstrate to the satisfaction of the County that Contractor is complying with this requirement.

K. Employee Retention Rights:

Note: This paragraph applies only if the Contract involves the provision of services that were previously provided by a contractor under a predecessor Proposition A contract or a predecessor cafeteria services contract, which predecessor contract was terminated by the County prior to its expiration.

1. Contractor shall offer employment to all retention employees who are qualified for such jobs. A "retention employee" is an individual:

a. Who is not an exempt employee under the minimum wage and maximum hour exemptions defined in the federal Fair Labor Standards Act; and

b. Who has been employed by a contractor under a predecessor Proposition A contract or a predecessor

cafeteria services contract with the County for at least six months prior to the date of this new Contract, which predecessor contract was terminated by the County prior to its expiration; and

c. Who is or will be terminated from his or her employment as a result of the County entering into this new Contract.

2. Contractor is not required to hire a retention employee who:

a. Has been convicted of a crime related to the job or his or her performance; or

b. Fails to meet any other County requirement for employees of a contractor.

3. Contractor shall not terminate a retention employee for the first 90 days of employment under the Contract, except for cause. Thereafter, Contractor may retain a retention employee on the same terms and conditions as Contractor's other employees.

L. Neutrality in Labor Relations: Contractor shall not use any consideration received under the Contract to hinder, or to further, organization of, or collective bargaining activities by or on behalf of Contractor's employees, except that this restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining agreement, or which would otherwise be permitted under the provisions of the National Labor Relations Act.

65. CONTRACTOR RESPONSIBILITY AND DEBARMENT:

A. A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business with only responsible Contractors.

B. The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if County acquires information concerning the performance of Contractor under this Agreement or other contracts, which indicates that Contractor is not responsible, the County may, in addition to other remedies provided in the contract, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time not to exceed five (5) years but may exceed five (5) years or be permanent if warranted by circumstances, and terminate any or all existing contracts the Contractor may have with the County.

C. The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that Contractor has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against County or any other public entity.

D. If there is evidence that Contractor may be subject to debarment, the Department will notify the Contractor in writing of the

evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

F. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Hearing Board.

G. If a Contractor has been debarred for a period longer than five (5) years, that Contractor may, after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that Contractor has adequately demonstrated one or more of the following: (1) elimination of

the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.

H. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.

I. These terms shall also apply to Subcontractors of County Contractors.

66. CERTIFICATION REGARDING DEBARMENT.

SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION -

LOWER TIER COVERED TRANSACTION (45 C.F.R. Part 76): Contractor

hereby acknowledges that the County is prohibited from contracting with and making sub-awards to parties that are suspended, debarred, ineligible, or excluded or whose principals are suspended, debarred, ineligible, or excluded from securing federally funded contracts. By executing this Agreement, Contractor certifies that neither it nor any of its owners, officers, partners, directors or other principals is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Further, by executing this Agreement, Contractor certifies that, to its knowledge, none of its subcontractors, at any tier, or any owner, officer, partner, director, or other principal of any subcontractor is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Failure of Contractor to comply with this provision shall constitute a material breach of this Agreement upon which County may immediately terminate or suspend this Agreement.

67. PURCHASING RECYCLED-CONTENT BOND PAPER: Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at County landfills, Contractor, agrees to use recycled-content paper to the maximum extent possible on this Contract.

68. COMPLIANCE WITH JURY SERVICE PROGRAM:

68.1 This Agreement is subject to the provisions of County's ordinance entitled ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

68.2 Unless Contractor has demonstrated to County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County

Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with Contractor or that Contractor deduct from the employee's regular pay the fees received for jury service.

- 68.3 For purposes of this Paragraph, "Contractor" means a person, partnership, corporation or other entity which has a contract with County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if : (1) the lesser number is a recognized industry standard as determined by County, or (2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for County under this Agreement, the subcontractor shall also be subject to the

provisions of this Paragraph. The provisions of this Paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.

- 68.4 If Contractor is not required to comply with the Jury Service Program when this Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Jury Service Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. County may also require, at any time during this Agreement and at its sole discretion, that Contractor demonstrate to County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Jury Service Program.
- 68.5 Contractor's violation of this Paragraph may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement and/or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

69. SAFELY SURRENDERED BABY LAW:

69.1 Contractor's Acknowledgment of County's Commitment to the Safely Surrendered Baby Law:

Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. See Exhibit J herein. Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. 71. ASSIGNMENT BY CONTRACTOR:

A. Contractor shall not have any right to, and shall not, assign its rights or delegate its duties under this Agreement, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this Paragraph, County

consent shall require a written amendment to this Agreement which is formally approved and executed by the parties. Any payments by County to any delegate or assignee on any claim under this Agreement, in consequence of any such consent, shall reduce dollar for dollar any claims which Contractor may have against County and shall be subject to set-off, recoupment or other reduction for any claims which County may have against Contractor, whether under this Agreement or otherwise.

B. Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Agreement, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Agreement.

C. Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any entity, other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be material breach of the Agreement which may result in the termination of the Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

72. TRANSITIONAL JOB OPPORTUNITIES PREFERENCE PROGRAM

ORDINANCE: This Contract is subject to the provisions of the County's ordinance entitled Transitional Job Opportunities Preference Program, as codified in Chapter 2.205 of the Los Angeles County Code.

Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Transitional Job Opportunity vendor.

Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Transitional Job Opportunity vendor.

If Contractor has obtained County certification as a Transitional Job Opportunity vendor by reason of having furnished incorrect supporting information or by reason of having withheld information, and knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this contract to which it would not otherwise have been entitled, shall:

1. pay to the County any difference between the contract amount and what the County's costs would have been if the contract had been properly awarded;
2. in addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than 10 percent (10%) of the amount of the contract; and
3. be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

The above penalties shall also apply to any entity that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the certifying department of this information prior to responding to a solicitation or accepting a contract award.

73. CONTRACTOR'S CHARITABLE ACTIVITIES COMPLIANCE: The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors to complete the certification in Exhibit L, the County seeks to ensure that all County Contractors which receive or raise charitable contributions comply with California law in order to protect the County and its taxpayers. A Contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings or both. (County Code Chapter 2.202).

74. CONSIDERATION OF HIRING GAIN/GROW PROGRAM PARTICIPANTS: Should the Contractor require additional or replacement personnel after the effective date of this Contract, the Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that the Contractor will interview qualified candidates. The County will refer GAIN/GROW participants by job category to the Contractor.

In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees shall be given first priority.

75. BUDGET REDUCTIONS: In the event that the County's Board of Supervisors adopts, in any fiscal year, a County Budget which provides for reductions in

the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County Contracts, the County reserves the right to reduce its payment obligation under this Contract correspondingly for that fiscal year and any subsequent fiscal year during the term of this Contract (including any extensions), and the services to be provided by the Contractor under this Contract shall also be reduced correspondingly. The County's notice to the Contractor regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such actions. Except as set forth in the preceding sentence, the Contractor shall continue to provide all of the services set forth in this Contract.

IN WITNESS WHEREOF, the Board of Supervisors of the County of Los Angeles has caused this Agreement to be subscribed by its Director of Health Services and Contractor has caused this Agreement to be subscribed in its behalf by its duly authorized officer, the day, month, and year first above written.

Changes in Dental Supervisor during the contract term shall be made only with the prior written approval of the County. 4. QUALITY CONTROL PLAN: Contractor shall establish and maintain a Quality Control Plan designed to assure The Joint Commission requirements of this Agreement are met. Contractor shall provide a copy of said Quality Control Plan to the Administrator prior to the commencement of services hereunder and such plan shall be reviewed annually or as changes occur. The plan and any changes thereto shall be subject to the prior written approval of the CHC's Administrator. The plan shall include, but is not limited to, the following:

B. Upon receipt of a Contract Discrepancy Report, Contractor shall respond in writing to the County Contract Coordinator within five (5) work days acknowledging the reported discrepancy(ies) or presenting contrary evidence and presenting a program for immediate correction of all failures in performance which have been identified.

C. Contractor shall remedy any performance defect identified by re-performance of the work or corrective action despite imposition of Unsatisfactory Performance Deductions.

D. Dental Supervisor shall meet with the County Contract Coordinator weekly for the first two (2) months of the contract term and at regularly scheduled intervals, as mutually agreed upon, during the remaining term of the contract. The purpose of such meetings shall be the exchange of information between the County Contract Coordinator and the Contractor, and the discussion of policy

The County expects a high standard of Contractor performance under the contract and shall monitor a broad range of services specified in the contract beyond those listed in this Exhibit. DHS will make every effort to work with the Contractor to resolve any areas of difficulty. However, it is the Contractor's responsibility to satisfactorily provide all the services in Exhibit A (Performance Work Statement), some of which are summarized in the Exhibit.

B. Performance Requirements Summary Charts

The Performance Requirements Summary Charts at the end of this Exhibit:

- o List some of the services considered important to acceptable contract performance (Column 1 of each chart).
- o Show some of the service indicators for each such service (Column 2).
- o Define the standard of performance for each such service (Column 3).

- o Show the maximum allowable degree of deviation from the Acceptable Quality Level (AQL) for each such service that is allowed before the County shall deduct from the Basic Monthly Charge (Column 4).
- o Show the principal quality assurance method(s) the County will use to monitor and evaluate the Contractor's performance in meeting the contract requirements for each such service, and the frequency of such monitoring (Column 5).
- o Show the dollar amount, or method of calculating the dollar amount, that shall be deducted from the Basic Monthly Charge if the County determines, in its sole discretion, that the service has not been satisfactorily performed (Column 6).

C. Quality Assurance

Contractor's performance shall be compared each calendar month to the performance standards and AQLs using the Quality Assurance Monitoring Plan (QAMP).

The County shall use a variety of methods to evaluate the Contractor's performance. The methods of monitoring that may be used are:

- o One hundred percent inspection (review) of maintenance records.
- o Complaints received by facility.
- o County Administrative and support staff complaints.
- o Random sampling of dental radiographs, records, referrals, reports and logs. An audit shall be performed by the Quality Assurance Evaluator (QAE).
- o Patient survey and/or random patient interviews.
- o Other methods deemed by the Administrator to be appropriate for the evaluation of the Contractor's performance.

D. Criteria for Acceptable and Unacceptable Performance

Performance of a listed service is considered acceptable when the number of

deficiencies found by the QAE during contract monitoring does not exceed the number of deficiencies allowed by the AQL for that service. When the performance is unacceptable, the Contractor shall complete a Contract Discrepancy Report (CDR). The CDR requires the Contractor to explain in writing why performance was unacceptable, how performance will be returned to an acceptable level, and how recurrence of the problem will be prevented. Unacceptable service performance shall result in Unsatisfactory Performance Deductions as described in Section E below.

Notwithstanding a finding of unsatisfactory service performance and imposition of Unsatisfactory Performance Deductions, the Contractor must, as soon as possible, remedy any and all deficiencies in the provision of services, and, as deemed possible or feasible by the Director perform such services again at an acceptable level.

E. Unsatisfactory Performance Deductions

If the service performance variance exceeds the AQL, the County shall assess Unsatisfactory Performance Deductions in the amount of Fifty Dollars (\$50) for each point over and above the maximum allowable of ten cumulated points per calendar month for all services shown on the Charts at the end of this Exhibit, provided that all determinations to levy such amounts shall be subject to the approval of the CEO. The CEO shall evaluate the Contractor's explanation on the CDR, and if the Director determines, in his sole discretion, that the particular defective performance for the particular service was caused by County's failure to fulfill contractual obligations, accident, strike, or similar occurrence beyond the control and without the fault or negligence of the Contractor, then the Director may decline to count such point(s) as defective performance for such month. A point system shall be used to determine the amount of Unsatisfactory Performance Deductions to be assessed when the performance variance exceeds the AQL. Points for all services on the Charts will accumulate each calendar month. A maximum of ten (10) points shall be allowed to accumulate per calendar month.

before a deduction can be made from the Basic Monthly Charge. For example, if the cumulative point total for all required services for a particular month is seven (7), no assessment for Unsatisfactory Performance Deductions shall be made because seven is within the maximum allowable points per month. However, if the total cumulative points for the month is thirty (30), the assessed Unsatisfactory Performance Deductions would be One Thousand Dollars \$1,000.00 (i.e., 20 points x \$50.00).

The Board of Supervisors finds that the County of Los Angeles is the principal provider of social and health services within the County, especially to persons who are compelled to turn to the County for such services. Employers' failure to pay less than a living wage to their employees causes them to use such services thereby placing an additional burden on the County of Los Angeles. (Ord. 99-0048 ' 1 (part), 1999).

2.201.020 Definitions

The general definitions contained in Chapter 2.02 shall be applicable to this chapter unless inconsistent with the following definitions.

B. "Employee" means any individual who is an employee of an employer under the laws of California, and who is providing full time services to an employer, some or all of which are provided to the County of Los Angeles under a Proposition A contract, or under a cafeteria services contract at a County of Los Angeles owned or leased facility.

C. "Employer" means:

1. An individual or entity who has a contract with the County.

E. "Proposition A contract" means a contract governed by Title 2, Section 2.121.250 et.seq. of this code, entitled Contracting with Private Business.

2.201.030 Prospective Effect

This chapter shall be applicable to Proposition A contracts and cafeteria services contracts and their amendments the terms of which commence three months or more after the effective date of this chapter. *It shall not be applicable to Proposition A contracts or cafeteria services contracts or their amendments in effect before this chapter becomes applicable. (Ord. 99-0048 ' 1 (part), 1999.)

***Editor's note:** Effective three months after the effective date of the Ordinance approval.

2.201.040 Payment of Living Wage

Proof of the provision of such benefits must be submitted to the County for evaluation during the procurement process to qualify for the lower living wage rate in subsection A of this section. Employers who provide health care benefits to employees through the County Department of Health Services Community Health Plan are deemed to have qualified for the lower living wage rate in subsection A of this section.

C. The Board of Supervisors may, from time to time, adjust the amounts specified in subsection A and B of this section, above for future contracts. Any adjustments to the living wage rate specified in subsections A and B that are adopted by the Board of Supervisors shall be applicable to Proposition A contracts and cafeteria services contracts and their amendments which become effective three months or more after the effective date of the ordinance that adjusts the living wage rate.

2.201.050 Other Provisions

IRS NOTICE 1015

(Obtain latest version from IRS website -
<http://ftp.fedworld.gov/pub/irs-pdf/n1015.pdf>)

Department of the Treasury
 Internal Revenue Service
Notice 1015
 (Rev. October 2001)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What is the EIC?

The EIC is a refundable tax credit for certain workers.

A change to note. Workers **cannot** claim the EIC if their 2001 investment income (such as interest and dividends) is over \$2,450.

Which Employees Must I Notify About the EIC? You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on **Form W-4**, Employee's Withholding Allowance Certificate.

Note: You are encouraged to notify each employee whose wages for 2001 are less than \$32,121 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees? You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2002.

You must hand the notice directly to the employee or send it by First-Class Mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice by calling 1-800-829-3676. You can also get the notice from the IRS Web Site at www.irs.gov.

How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see the 2001 instructions for Form 1040, 1040A, 1040EZ, or Pub. 596, Earned Income Credit.

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2001 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2001 and owes no tax but is eligible for a credit of \$791, he or she must file a 2001 tax return to get the \$791 refund.

How Do My Employees Get Advance EIC Payments?

Eligible employees who expect to have a qualifying child for 2001 can get part of the credit with their pay during the year by giving you a completed Form W-5, Earned Income Credit Advance Payment Certificate. You must include advance EIC payments with wages paid to these employees, but the payments are not wages and are not subject to payroll taxes. Generally, the payments are made from withheld income, social security, and Medicare taxes. For details, see Pub. 15, Employer's Tax Guide.

BUSINESS ASSOCIATE PROTECTED HEALTH INFORMATION DISCLOSURE AGREEMENT

Under this Agreement, Contractor ("Business Associate") provides services ("Services") to County ("Covered Entity") and Business Associate receives, has access to or creates Protected Health Information in order to provide those Services. Covered Entity is subject to the Administrative Simplification requirements of the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), and regulations promulgated thereunder, including the Standards for Privacy of Individually Identifiable Health Information ("Privacy Regulations") and the Health Insurance Reform: Security Standards ("the Security Regulations") at 45 Code of Federal Regulations Parts 160 and 164 ("together, the "Privacy and Security Regulations").

The Privacy and Security Regulations require Covered Entity to enter into a contract with Business Associate in order to mandate certain protections for the privacy and security of Protected Health Information, and those Regulations prohibit the disclosure to or use of Protected Health Information by Business Associate if such a contract is not in place;

Therefore, the parties agree as follows:

DEFINITIONS

1.1 "Disclose" and "Disclosure" mean, with respect to Protected Health Information, the release, transfer, provision of access to, or divulging in any other manner of Protected Health Information outside Business Associate's internal operations or to other than its employees.

1.2 "Electronic Media" has the same meaning as the term "electronic media" in 45C.F.R. § 160.103. Electronic Media means (1) Electronic storage media including memory devices in computers (hard drives) and any removable/transportable digital memory medium, such as magnetic tape or disk, optical disk, or digital memory card; or (2) Transmission media used to exchange information already in electronic storage media. Transmission media include, for example, the internet (wide-open), extranet (using internet technology to link a business with information accessible only to collaborating parties), leased lines, dial-up lines, private networks, and the physical movement of removable/transportable electronic storage media. Certain transmissions, including of paper, via facsimile, and of voice, via telephone, are not considered to be transmissions via electronic media, because the information being exchanged did not exist in electronic form before the transmission. The term "Electronic Media" draws no distinction between internal and external data, at rest (that is, in storage) as well as during transmission.

1.3 "Electronic Protected Health Information" has the same meaning as the term "electronic protected health information" in 45 C.F.R. § 160.103. Electronic Protected Health Information means Protected Health Information that is (i) transmitted by electronic media; (ii) maintained in electronic media.

1.4 "Individual" means the person who is the subject of Protected Health Information and shall include a person who qualifies as a personal representative in accordance with 45 C.F.R. § 164.502(g).

1.5 "Protected Health Information" has the same meaning as the term "protected health information" in 45 C.F.R. § 164.501, limited to the information created or received by Business Associate from or on behalf of Covered Entity. Protected Health Information includes information that (i) relates to the past, present or future physical or mental health or condition of an Individual; the provision of health care to an Individual, or the past, present or future payment for the provision of health care to an Individual; (ii) identifies the Individual (or for which there is a reasonable basis for believing that the information can be used to identify the Individual); and (iii) is received by Business Associate from or on behalf of Covered Entity, or is created by Business Associate, or is made accessible to Business Associate by Covered Entity. "Protected Health Information" includes Electronic Health Information.

1.6 "Required By Law" means a mandate contained in law that compels an entity to make a Use or Disclosure of Protected Health Information and that is enforceable in a court of law. Required by law includes, but is not limited to, court orders and court-ordered warrants; subpoenas or summons issued by a court, grand jury, a governmental or tribal inspector general, or any administrative body authorized to require the production of information; a civil or an authorized investigative demand; Medicare conditions of participation with respect to health care providers participating in the program; and statutes or regulations that require the production of information, including statutes or regulations that require such information if payment is sought under a government program providing benefits.

1.7 "Security Incident" means the attempted or successful unauthorized access, Use, Disclosure, modification, or destruction of information in, or interference with system operations of, an Information System which contains Electronic Protected Health Information. However, Security Incident does not include attempts to access an Information System when those attempts are not reasonably considered by Business Associate to constitute an actual threat to the Information System.

1.8 "Services" has the same meaning as in the body of this Agreement.

1.9 "Use" or "Uses" mean, with respect to Protected Health Information, the sharing, employment, application, utilization, examination or analysis of such Information within Business Associate's internal operations.

1.10 Terms used, but not otherwise defined in this Paragraph shall have the same meaning as those terms in the HIPAA Regulations.

OBLIGATIONS OF BUSINESS ASSOCIATE

2.1 Permitted Uses and Disclosures of Protected Health Information. Business Associate:

(a) shall Use and Disclose Protected Health Information as necessary to perform the Services, and as provided in Sections 2.3, 2.4, 2.5, 2.6, 2.7, 2.8, 4.3 and 5.2 of this Agreement;

(b) shall Disclose Protected Health Information to Covered Entity upon request;

(c) may, as necessary for the proper management and administration of its business or to carry out its legal responsibilities:

(i) Use Protected Health Information; and

Business Associate shall not Use or Disclose Protected Health Information for any other purpose.

2.2 Adequate Safeguards for Protected Health Information. Business Associate:

(a) Shall implement and maintain appropriate safeguards to prevent the Use or Disclosure of Protected Health Information in any manner other than as permitted by this Paragraph. Business Associate agrees to limit the Use and Disclosure of Protected Health Information to the minimum necessary in accordance with the Privacy Regulation's minimum necessary standard.

(b) effective as of April 20, 2005, specifically as to Electronic Health Information, shall implement and maintain administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of Electronic Protected Health Information.

Business Associate shall report to Covered Entity each Use or Disclosure that is made by Business Associate, its employees, representatives, agents or subcontractors but is not specifically permitted by this Agreement, as well as, effective as of April 20, 2005, each Security Incident of which Business Associate becomes aware. The initial report shall be made by telephone call to the Departmental Privacy Officer, telephone number 1(800) 711-5366 within forty-eight (48) hours from the time the Business Associate becomes aware of the non-permitted Use or Disclosure or Security Incident, followed by a full written report no later than ten (10) business days from the date the Business Associate becomes aware of the non-permitted Use or Disclosure or Security Incident to the Chief Privacy Officer at:

Chief Privacy Officer
Kenneth Hahn Hall of Administration
500 West Temple St., Suite 525
Los Angeles, CA 90012

2.4 Mitigation of Harmful Effect. Business Associate agrees to mitigate, to the extent practicable, any harmful effect that is known to Business Associate of a Use or Disclosure of Protected Health Information by Business Associate in violation of the requirements of this Paragraph.

2.5 Availability of Internal Practices, Books and Records to Government Agencies. Business Associate agrees to make its internal practices, books and records relating to the Use and Disclosure of Protected Health Information available to the Secretary of the federal Department of Health and Human Services for purposes of determining Covered Entity's compliance with the Privacy and Security Regulations. Business Associate shall immediately notify Covered Entity of any requests made by the Secretary and provide Covered Entity with copies of any documents produced in response to such request.

2.6 Access to Protected Health Information. Business Associate shall, to the extent Covered Entity determines that any Protected Health Information constitutes a "designated record set" as defined by 45 C.F.R. § 164.501, make the Protected Health Information specified by Covered Entity available to the Individual(s) identified by Covered Entity as being entitled to access and copy that Protected Health Information. Business Associate shall provide such access for inspection of that Protected Health Information within two (2) business days after receipt of request from Covered Entity. Business Associate shall provide copies of that Protected Health Information within five (5) business days after receipt of request from Covered Entity.

2.7 Amendment of Protected Health Information. Business Associate shall, to the extent Covered Entity determines that any Protected Health Information constitutes a "designated record set" as defined by 45 C.F.R. § 164.501, make any amendments to Protected Health Information that are requested by Covered Entity. Business Associate shall make such amendment within ten (10) business days after receipt of request from Covered Entity in order for Covered Entity to meet the requirements under 45 C.F.R. § 164.526.

2.8 Accounting of Disclosures. Upon Covered Entity's request, Business Associate shall provide to Covered Entity an accounting of each Disclosure of Protected Health Information made by Business Associate or its employees, agents, representatives or subcontractors.

[Optional, to be used when all Uses and Disclosures permitted in order to perform the Services will be for the Covered Entity's payment or health care operations activities: However, Business Associate is not required to provide an accounting of Disclosures that are necessary to perform the Services because such Disclosures are for either payment or health care operations purposes, or both.]

Any accounting provided by Business Associate under this Section 2.8 shall include: (a) the date of the Disclosure; (b) the name, and address if known, of the entity or person who received the Protected Health Information; (c) a brief description of the Protected Health Information disclosed; and (d) a brief

statement of the purpose of the Disclosure. For each Disclosure that could require an accounting under this Section 2.8, Business Associate shall document the information specified in (a) through (d), above, and shall securely maintain the information for six (6) years from the date of the Disclosure. Business Associate shall provide to Covered Entity, within ten (10) business days after receipt of request from Covered Entity, information collected in accordance with this Section 2.8 to permit Covered Entity to respond to a request by an Individual for an accounting of disclosures of Protected Health Information in accordance with 45 C.F.R. § 164.528.

OBLIGATION OF COVERED ENTITY

3.1 Obligation of Covered Entity. Covered Entity shall notify Business Associate of any current or future restrictions or limitations on the use of Protected Health Information that would affect Business Associate's performance of the Services, and Business Associate shall thereafter restrict or limit its own uses and disclosures accordingly.

TERM AND TERMINATION

4.1 Term. The term of this Paragraph shall be the same as the term of this Agreement. Business Associate's obligations under Sections 2.1 (as modified by Section 4.2), 2.3, 2.4, 2.5, 2.6, 2.7, 2.8, 4.3 and 5.2 shall survive the termination or expiration of this Agreement.

4.2 Termination for Cause. In addition to and notwithstanding the termination provisions set forth in this Agreement, upon Covered Entity's knowledge of a material breach by Business Associate, Covered Entity shall either:

(a) Provide an opportunity for Business Associate to cure the breach or end the violation and terminate this Agreement if Business Associate does not cure the breach or end the violation within the time specified by Covered Entity;

(b) Immediately terminate this Agreement if Business Associate has breached a material term of this Agreement and cure is not possible; or

(c) If neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary of the federal Department of Health and Human Services.

4.3 Disposition of Protected Health Information Upon Termination or Expiration.

(a) Except as provided in paragraph (b) of this section, upon termination for any reason or expiration of this Agreement, Business Associate shall return or destroy all Protected Health Information received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity. This provision shall apply to Protected Health Information that is in the possession of

subcontractors or agents of Business Associate. Business Associate shall retain no copies of the Protected Health Information.

(b) In the event that Business Associate determines that returning or destroying the Protected Health Information is infeasible, Business Associate shall provide to Covered Entity notification of the conditions that make infeasible. If return or destruction is infeasible, Business Associate shall extend the protections of this Agreement to such Protected Health Information and limit further Uses and Disclosures of such Protected Health Information to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such Protected Health Information.

MISCELLANEOUS

- 5.1 No Third Party Beneficiaries. Nothing in this Paragraph shall confer upon any person other than the parties and their respective successors or assigns, any rights, remedies, obligations, or liabilities whatsoever.
- 5.2 Use of Subcontractors and Agents. Business Associate shall require each of its agents and subcontractors that receive Protected Health Information from Business Associate, or create Protected Health Information for Business Associate, on behalf of Covered Entity, to execute a written agreement obligating the agent or subcontractor to comply with all the terms of this Paragraph.
- 5.3 Relationship to Services Agreement Provisions. In the event that a provision of this Paragraph is contrary to another provision of this Agreement, the provision of this Paragraph shall control. Otherwise, this Paragraph shall be construed under, and in accordance with, the terms of this Agreement.
- 5.4 Regulatory References. A reference in this Paragraph to a section in the Privacy or Security Regulations means the section as in effect or as amended.
- 5.5 Interpretation. Any ambiguity in this Paragraph shall be resolved in favor of a meaning that permits Covered Entity to comply with the Privacy and Security Regulations.
- 5.6 Amendment. The parties agree to take such action as is necessary to amend this Paragraph from time to time as is necessary for Covered Entity to comply with the requirements of the Privacy and Security Regulations.

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Sin pena. Sin culpa. Sin peligro.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de redamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

**Cada recién nacido merece una
oportunidad de tener una vida saludable.
Si alguien que usted conoce está pensando
en abandonar a un recién nacido, infórmele
qué otras opciones tiene.**

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.
